No Extra Needed To inform the intelligent readers of this paper that the combination we refer to is one of the greatest ever; a salesman was tellever; a salesman was telling one of our local townsman of his great invention, a combined talking machine, carpet sweeper and letter opener. "That's old I beat you to it; I married one." Our particular combination is one that caphla. ination is one that enables us to do sheet metal work that lasts at a charge that will please you. Get our estimate first, we guarantee the work we do.

Build and Live in Torrance

A New England Colonial Type House

thoroughly practical, convenient

pass, so the car is accessible without going out of doors, a real convenience in inclement weather.

The space over the garage is used as a study, it connects with a landing on the main stairway.

A cellar is provided under the entire house and the laundry, heater space, etc., are there provided for.

The same

also provided.

This house measures 47 feet across the front and requires a lot with a frontage of not less than sixty feet.

Cost about \$7,400.

Complete working plans and specifications of this house may be obtained for a nominal sum from the building editor. Refer to House H-A-78.
