Death Closes Long Period of Illness

Emil Erichsen, aged 57, was found dead in bed Tuesday morning, January 17, at his residence, 1929 Andrea Ave. Death followed a long illness due to an incurable affection of the throat. Mr. Erichsen had been a resident of Torrance for about two years, coming here from Passaic, New Jersey, and for a time was employed at the Columbia Steel Plant until illness compelled him to give up his work.

Mr. Erichsen is survived by his wife, a son, E. A. Erichsen, an employee of the California Petroleum Company, and other relatives. Funeral services were conducted at 10:30 a. m. today, from the American Legion club house, Rev. George Shuster of the Lutheran church officiating. Interment was made at Inglewood.

The rally of Torrance Scouts to be conducted Friday evening, Jan. 20 promises an interesting program of Scout activities and entertainment features. Ten major contests will be conducted including drills, inspections, signalling, friction fire, knot tying, first aid, pantomime and presence of parents. The troop winning the greatest number of these ten contests will be presented with a rally pennant. In addition to these major contests a number of Scout games will be played and Scout songs sung. The entertainment feature of the evening will be a demonstration of magic, conducted by Mr. L. O. Gunn of San Pedro, who has achieved a considerable reputation in this line. The Scouts who had the opportunity of seeing his work when he was in Torrance a little over a year ago, will remember the clever stunts he performed at that time and since then he has added a number of amazing features. The rally is open to the public without charge of any kind and will be conducted in the auditorium of the elementary school. A cordial invitation is extended to parents and friends of local Scouts to be present.
