A Stupendous Merchandise Event!

Friday morning at 9 o'clock the doors will swing open to a bargain campaign such as this community has not seen in many years. The entire stock of The Torrance Toggery will have the prices cut so low as to cause inducement to draw the people from near and far, and turn as much as possible of this stock into cash.

For the past week we have worked night and day with a large force of sales people preparing for this colossal event. All over this establishment in every section, we have been cutting and slashing prices to the limit. No department has been overlooked and we have left nothing undone to accomplish our purpose.

Thousands of dollars worth of new Spring merchandise received this week too early for regular selling. So it goes to you directly before Easter, regardless of cost or selling price.
