GREATEST ATHLETES AND FILM STARS TO APPEAR AT COLISEUM OLYMPIC EVENT

Two of the world-famous stars who will appear at the Southwest Olympic finals at the Coliseum, Los Angeles, June 16. Left, Fred Thompson and his horse, Silver King. Thompson, once the world's greatest all-around athlete, today is a famous personage of the screen. He will be seen in action with his horse. On the right is Charles Paddock, the "fastest human," who will contest with Charles Borah in "the race of the century," for the sprint championship. (C. N. P. A. Service.)

The greatest outdoor spectacle of its kind in western history is promised for the Southwest Olympic finals carnival at the Coliseum in Los Angeles on Saturday, June 16. According to Robert S. Weaver, president of the Southwest Olympic Games Committee, the plans for the festival as originally made, elaborate as they were, have been far exceeded as the program has developed.

In addition to the track and field contests, in which athletes of Southern California, Arizona and New Mexico will contest for supremacy, in hope of competing lat-

er at the international Olympic games at Amsterdam, there will be general entertainment of unique character. The show committee, of which Harold B. Franklin, president of West Coast Theaters, is chairman, has assembled for the day a galaxy of motion picture and other stars whose performances will be interspersed with the athletic competitions.

Among the film celebrities will be Fred Thompson, greatest all-around athlete in modern history, who will perform on his famous horse Silver King. Others will include Ken Maynard, with his horse Tarzan, and Col. Tim McCoy. The greatest series of boxing

bouts ever staged will be another feature. Jack Dempsey will meet Chief Metchum, 195-pound Creek Indian, who in 103 ring encounters has lost only three. Fidel LaBarba will meet Micky Merkin; Mushy Callahan will take on Joe Garcia; Jackie Fields will box Ted Lewin, and Royal "Dutch" Elliott will oppose Harry Beum.

The spectacular athletic event of the day will be the 100 meter "Race of the Century" between Charles W. Paddock, Charley Borah, Frank Wyckoff and Frank Lombardi. Paddock, known as the "fastest human," is believed by not a few experts to be in danger of losing his title in this contest. In-

terest in the race is so great that it has added much to the demand for seats, according to B. H. Dyas Co., where tickets are on sale at \$1, \$2, and \$3, tax included. Mail orders for tickets are filled at Olympic Games Committee headquarters, 1116 West Washington street.

Among the spectacular features of the show will be the "parade of nations" and the releasing of several hundred carrier pigeons, both events taken from the pageantry of the international Olympiads. A wonderful symphony of music will be provided by the playing of a massed high schools band of 1000 pieces.

STUDEBAKER COMMANDER

Tops
Uniontown's famous hill
at 60 mile speed

Smashes all records!

World's Champion Car

Over the top of Uniontown Hill at 60 miles an hour! That's the spectacular performance of a strictly stock model Studebaker Commander Sedan, sweeping aside decisively the best previous record of 51 miles an hour.

And that is not all! As further clinching assurance of the Commander's unmatched mountain climbing ability, it later swept up the heart-breaking, tortuous grade and over the top at 31 miles an hour, with 14 persons swarming upon its running boards (a total of 2296 pounds).

Automobile editors of Pittsburgh newspapers were passengers in The Commander and certified the exact speeds attained. Pittsburgh police certified the accuracy of the speedometer. Mayor L. S. Crawford of Uniontown and scores of spectators observed the tests.

"A Ball of Fire"

—that's what one owner calls his Commander. "A 'hill hound'—knocks the 'I' out of altitude," writes another. "If my Commander had claws it could climb trees," declares a third. When this World's Champion car can be bought for \$1435 f. o. b. factory, why be content with less?

In four price fields Studebaker offers you champion cars—each backed by Studebaker's 76 years of manufacturing integrity! The Erskine Six, \$795 to \$965; The Dictator, \$1195 to \$1395; The World Champion Commander, \$1435 to \$1625; The President Straight Eight, \$1985 to \$2185. All prices f. o. b. factory.
