Judge Rippy and Family Home from East

Mr. and Mrs. Charles T. Rippy and children returned Tuesday of last week from a motor trip east. They drove east over the Santa Fe Trail to Union City, Tennessee, where they visited with relatives, returning over the Lincoln highway and via Colorado Springs and Gripple Creek, and Zion National Park.

Being caught in a young cyclone on the prairies of Kansas was only one of the many interesting experiences that seasoned their trip.

Big Show of Years Comes to Orpheum Beginning Sunday

The biggest show of the year will come to the Orpheum next Sunday matinee, August 5, with Maestro Miguel Lerdo de Tejada's internationally famous Mexican orchestra as the super-attraction of the summer season. Lerdo's Mexican Orchestra, which played for Lindbergh's welcome in Mexico City and is hailed as the finest musical organization which ever came from the Southern Republic,

has been a sensational success on the Keith-Orpheum Circuit where it has appeared exclusively. The orchestra has thirty soloists and a number of unusual but beautiful musical instruments. The entire orchestra dresses in the native Mexican costume and a pretty sororita presents dances from the Sunny South. Other features which will combine to make this bill a brilliant affair will be Jack Pearl in another new playlet of hilarious proportions entitled "The Filibuster"; Master Jay Ward, the "Typical American Boy"; and Master of the Second A. E. F. David Hartford and Frances Nordstrom in "Who Done It?"; Ruth Warren and Company in "Crossed Wires"; and Paul Morton, of the famous "Hey! Taxi!"; Paulo, Paqueta and Chikita in "Dreamy Spain" will complete the new bill. Reserve seat tickets are on sale at the Dolley Drug Store, Torrance. Mrs. C. LeBlanc of Main street will entertain a group of friends at her home on Main street on Thursday afternoon. Five hundred will furnish diversion for the afternoon and light refreshments will be served.
