To the 5000 who daily become owners of the new Ford car

THE service obligation of the Ford Motor Company and its dealer organization is now growing at the rate of 5000 cars a day. It is to these new car owners that this message is addressed.

The new Ford is a remarkably fine car for one that costs so little. It is simple in design, constructed of the finest materials, and built to unusually close measurements.

These are the reasons it performs so wonderfully. These are also the reasons its service requirements are so few and the up-keep cost so low.

When you receive your new car, the dealer will explain the simple little things that should be attended to at regular intervals to insure the best performance.

With the purchase of your car, you are entitled to Free Inspection Service by your dealer at 500, 1000 and 1500 miles.
