## Night Schools in Athletic League

Athletics in the evening high schools of the harbor district were put on an organized basis last week when a meeting of coaches was held in the Torrance gymnasium on Thursday evening. Martin Trib, assistant director of the division of athletics, was in charge and coaches from Venice, Rialto, Narbonne, San Pedro, and Torrance Evening High Schools were present.

The schools named were formed into a Crescent League to compete against each other in basketball. Two game tournaments will decide winners to play the leading teams

in the Metropolitan and Valley leagues. Pennants will be awarded the winner in each league and a cup given the winner in the elimination series.

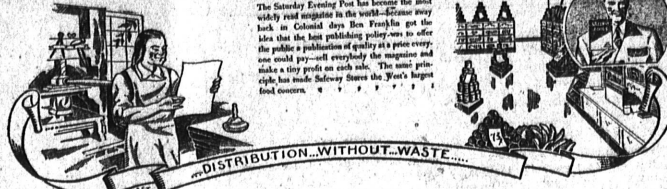

Any young man of eighteen or over may sign up at the gymnasium and try out for the Torrance team. Eligibility lists must be sent in by the 25th of January. The class meets Monday, Tuesday, Wednesday and Thursday from 7:00 to 9:00 p. m. Arthur Hodge is instructor.

First game in the Crescent League will be at Torrance on January 23rd when Narbonne and Torrance will compete. The public is invited to see the game and no admission fee will be charged. Line up and further schedule will be printed later.
