Bank of Italy Resources

The resources of California's largest bank represent close to a billion dollars - a vast amount of wealth

WITH A GAIN in resources amounting to more than 82 millions of dollars, the Bank of Italy is now nearly a billion dollar institution. This growth has not been due to any mergers or affiliations with banks outside of California. The Bank of Italy is strictly a California institution and the increase it has enjoyed is substantial evidence of the progress and prosperity of the "Golden Empire of the West." The growth of the Bank of Italy during the past year has been the greatest in its history. Nineteen twenty-eight marks an outstanding milestone in this institution's development. It was a year of great achievement in all departments. The directors and officers of the Bank of Italy are deeply grateful

for the privilege of serving over 1,456,000 depositors—and they are especially thankful for the faith in the institution that underlies this generous statewide patronage. It is this faith and confidence that inspires the entire personnel of the institution to strive for greater things—to render an even better service—to give a larger measure of satisfaction in connection with every transaction. In this announcement, particular Bank of Italy NATIONAL BILLS ASSOCIATION A NATIONAL BANK Torrance Branch 1330 Sartori Avenue JAMES W. LEISCH, Mgr.

emphasis is placed on the wide distribution and diversification of the Bank of Italy's vast resources. In the financial world, diversification of assets—that is, a wide variety of securities, loans and investments, is considered the safest plan for an individual or a bank. The Bank of Italy's resources are distributed all over California from the Oregon line to the Mexican border. They are backed by the state's basic industries and assets—including agriculture, horticulture, dairying, stock-raising, manufacturing, farms, homes, stores, office buildings, selected bonds, etc., etc. Your commercial or savings account placed with this institution is helping to create prosperity and opportunity for everyone throughout the entire state of California.
