Fluffo Feather Cake

Cream together 1-4 cup Fluffo and 1 cup sugar. Add 1-2 teaspoon vanilla. Cream all together. Beat 2 egg whites to stiff froth and add. Mix and sift 1-2 cups flour, 2 teaspoons baking powder, 1-4 teaspoon salt, and add to first mixture alternately with 1-2 cup milk. Bake in well-greased loaf pan in moderate oven, 275 degrees Fahrenheit for 15 minutes. Cover with any preferred frosting.

Sperry Wheat Hearts (German)

is a nourishing, healthful food for children. Because they love it.

Marmalade Strips

Place a thin layer of crust on an inverted baking pan. Spread with thick orange marmalade. Cover with another thin layer of crust. Cut into strips four inches long by one and one-half wide. Bake in a quick oven. When cool, spread with a thin layer of confectioner's sugar and water, sprinkling with finely chopped nuts.

Wheat Cakes

One and one-half cups Globe "A-1" flour, 1 egg, 2 tablespoons

sugar, 1-4 cups milk, 1 tablespoon Royal baking powder, 1-2 teaspoon melted butter, 1-2 teaspoon salt. Mix and sift the dry ingredients, add well beaten egg, milk and melted butter. Bake on a hot greased griddle. Serve hot with pure maple syrup.

A Prize Gruel

Well cooked and seasoned, this makes a delicious nutty gruel. Put one pint of milk in the double boiler, add half a cup of thoroughly cooked oatmeal, salt and pepper to taste and cook half an hour at least, stirring often and keeping tightly covered. Strain, if you prefer, but if the

patient is allowed, it is more delicious well beaten with the grains retained. Never sweeten it. Sweeten with an approximation of 1-2 cups of sugar.

Meat Pie

One pound veal, 1-2 cup peas, 1 stalk celery, 1 green pepper, 1-2 onion, 2 tablespoons flour, 1 teaspoon salt, 1 cup Libby's milk. Cut the veal for stewing, and put it in a saucepan with just enough water to simmer. Add the salt and onion cut up. About a half hour before it is done add the peas and the celery, and green pepper cut up. When the stew is done there should be about two cups of stock in the saucepan. Take out a cup of it and let it cool slightly before adding the evaporated milk.

Cream of Chicken Soup
One chicken (about 4 pounds), 2 teaspoons salt, 2 quarts cold water, 1-4 teaspoon pepper, 1-2 onion sliced, 1 tablespoon butter, 1 table-

spoon minced parsley, 1 tablespoon flour, 2 stalks celery, 1 cup Horner's evaporated milk, 1-2 bay leaf. Thoroughly clean chicken, separate at joints, put in kettle of cold water, let stand one-half hour. Add seasonings. Heat slowly and simmer until meat is tender. Remove chicken, strain broth, cool, remove fat. Chop white meat of chicken, rub through puree sieve, add to the stock, bring to boiling point, add milk and thicken with butter and flour rubbed to paste.
