Torrance Has Tough Battle On Cold Ground

What Promised To Be Freeze-Out Turned To Victory

Some pretty work with the willow in the face of what promised to be a blizzard on the part of the Pasadena pitcher, brought Ed Tansey's Scampering Scamps out on the long end of a 1 to 2 score at Pasadena Sunday.

Under lowering skies, players and spectators shivered in a chill breeze which blew down from the mountain tops back of Pasadena, and made Tournament Park as comfortable as the open section of an Eskimo garage. Even hisumps complained of the chill and hustled the game along in an effort to stave off perishing in the middle of the diamond.

But in spite of icy breezes the Torrance kids played their usual aggressive game and pulled off some situations that drew complimentary remarks, no foolin', from the Pasadena crowd.

Sabella, star hurler for the Rose

City bunch, started with a rush. He set down three men on strikes in the first inning after a base on balls and two hits had put three men on the paths with nobody out.

In the second, after two men had passed out via the whiff route Ferguson singled but died on first when Lewis flied out to center.

Torrance hit their stride in the third when Frost singled and stole second. Atwood connected with a single advancing Frost who scored on Goldiman's hit after Harris grounded out. Salazar flew out on a short pop to second, Robinson waited for the second pass issued in the game putting three men on base, but Claypool flied out to short, ending the inning.

Padena came back strong in their half of the fourth and chased in two runs with four sound blows, but their hopes faded from then on as Ferguson and his mates from Torrance made the going tough.

Torrance tied up the score in the fifth and added two more runs in the sixth, maintaining their lead with ease.

Both pitchers scored outs on freak hits. J. Rice, the first man up for Pasadena, hit one on a line to Ferguson, and Lewis, lead-off man for Torrance duplicated the trick by sending back one of Sabella's shoots on a line for the pitcher's mitt.

An impressive ceremony marked the beginning of the third inning, time out was taken for one minute while players and spectators paid silent tribute to the memory of Joseph Zimmerman, former manager of the Pasadena team, well-known in baseball circles, who was killed in an automobile accident on Sunday, January 20.

Next Sunday, February 3, Torrance will play San Clemente at Ole Hanson's city by the sea. A crowd of Torrance fans will ac-

Evening School Casaba Tossers Look Good in Race for Flag

Narbonne's night school team is stepping along in fine style and appears to have a good chance for the championship of the newly-formed Crescent League. The Los Angeles evening schools have been formed into three leagues and Narbonne, Torrance, Hills, Venice, San Pedro and San Pedro Gems form the Crescent League. The winners of the three leagues will battle it out for the championship of the county.

What "tire economy" really means

"Economy" doesn't mean buying cheap tires. True, you may save a dollar or two on first cost, but suppose a dealer does offer you tires at less than the price of the standard makes? It stands to reason that's all they are worth.

You can come in here, pay a fair price for a Kelly-Springfield (no more than you would pay for any other reputable make) and get the quality product of the tire industry. When the "price buyer's" second set of tires is wearing out, you are still turning in cost-cutting miles on your Kellys. Which buy is the real economy?

If you are not already using Kellys, get acquainted with us; we can show you what "tire economy" really means.
