Hill Furniture Company Opens New Cra-Post Store with Special Sale—Business Growing Rapidly

Characterizing an almost meteoric rise in the furniture business in the four months he has been in Torrance H. Hill of the Hill Furniture Company greeted several hundred visitors at the opening of his beautiful new store in the Cra-Post building Tuesday of this week.

While Mr. Hill is new in the furniture field in Torrance, he is by no means a novice in his work. He is the son of W. H. Hill, well known Torrance dealer in Long Beach, who also has just removed to cosmopolitan new quarters at 4th and Pine in that city. Mr. H. Hill brings to Torrance the experience of over twenty years in the interior decorating and furniture business, part of which time he was associated with his father and later as manager of the Nelson Furniture Company of Oakland and the Irwin Furniture Company of Santa Barbara.

The Hill Furniture Company of Torrance began business less than four months ago at 1605 Gramercy avenue, but in this short time, their business has grown to such an extent that it has been necessary to move to larger quarters at Cravens and Post avenues. The new store was beautiful in its opening regalia Tuesday. The new building is flooded with red lights and a colored fountain plays in the window, making a very pretty picture.

"We believe our rapidly increasing business is due to our ability to sell good furniture at very low prices," Mr. Hill said, "and the wonderful patronage we have enjoyed since we came to Torrance convinces us that our policy is right. Through fortunate trade relations we are able to buy right, and in turn we are glad to pass these low prices on to our customers."

Investors Close List of Members Officers and Directors of Torrance Group Are Elected

The Torrance Investors regret that they are compelled to close their membership dues for investment. The training contained from placing this money upon good investments, establishing credit and handling the affairs of the group will be great value to all. Two and a half weeks will not burden anyone but will surprise everyone when the money is cut after a five year period and deposits the group will vote then to carry on longer. It requires little imagination to visualize to just what magnitude this may develop to when fifty men pool their interests and "bunches" and learn to work together. Each member is to deposit his dues in The First National Bank of Torrance each Monday or pay a delinquency fee of 10c per day. With fifty men thinking of their investment 260 lines in five years, success should surely follow.

The Board of Directors are all well known in Torrance and the group feels proud to start in their venture with Louis K. Bennett, president; Charles C. Smith, vice president; Roland W. Handorf, treasurer; Fred W. Hill, secretary; J. O. Bishop, D. A. Murphy, R. J. Deisinger, directors.

Earl's Cafe has donated their banquet hall for the meetings and when the group gets under full sail, a combined banquet and business meeting will be held each month. It is planned to have well known men in the business world talk at these dinners as well as to have a report of the board of progress made with the funds entrusted to them.

Ferry G. Briney, who is also a club member, is working upon details of incorporation and it is hoped that the group should have "inc." attached to their name within two or three weeks.

It is planned to start another group after the pioneer group is well under way. This group plans upon having a \$25.00 initiation fee and probably higher weekly dues.
