

*The Spirit of Working With and for One Another---Co-operation
---Is the Vital Force In the Development of Any Community.*

The development of Torrance has been due to the loyal effort of progressive men and women of our community circle.

What wonderful progress we would make if every citizen of Torrance were included in this circle! How rapidly we would forge to the front in growth and prosperity; the center of industrial, business and social activity, with humming factories, good schools, churches, play grounds, clubs and over 100 retail stores.

Whole-hearted co-operation by that part of the community circle consisting of the business and professional interest is assured.

THEY STAND READY TO SERVE YOU.
