

# “That’s my manager”

“**Y**ES, Fred, she spends the whole roll! What do you think of this suit? And how does the haberdashery blend? A fat chance I’d have getting a match like that. And if you think I’m well dressed, you should see her! Funny part of it is, she dresses both of us on just a trifle more than I spent on the junk I used to wear—How?”

“Boy, she knows her groceries, yes—and she knows where to buy ’em at a price that’s right, too—and that goes for socks, hats, shoes, furniture, dish pans and dental floss—when she gets ready to buy anything, she goes through the newspaper ads with a fine tooth comb and don’t think it hasn’t had a telling effect on our savings account. I’ll tell the world my wife reads the ads and reads ’em thorough.”

*“Teach your dollars to have more cents”*
