Class Baseball Teams Will Play

Hard baseball is occupying the attention of the 7th and 8th grade boys who met at the field Monday afternoon. These boys are being started on hard ball games to train them for the Varsity teams in the coming years.

Regular teams have been organized in the 9th and 10th grades also. None of these boys have ever played on a Varsity team and all are taking an active interest in the sport.

TO BUY TRUCK
The council Tuesday night authorized City Clerk A. H. Bartlett to advertise for bids for a new Dodge truck for the street department.

HALT PIPE LINE
Lack of new production in Lawndale prompted the Union Oil Company to request the Torrance city council Tuesday night to halt action on the company's request for a pipe line franchise along Cedar avenue for a few weeks. The council agreed to do so.

Jordan Defeats Narbonne High

Gauchos Taken Into Camp to Tune of 9 to 3

Jordan High staged a seventh inning rally to defeat Narbonne 9-3 on the local field last Friday. Three hits coupled with five errors gave the Walter boys the game by enabling them to shove six runs across the plate. Narbonne got away to a flying start when Captain Jack Santich drove the ball over the fence for two bases, with the bases full. Wolverton's single scored Ables a moment later. Bates, Jordan's twirler, was then balked and Blackman their star south paw took the mound. He proved very effective striking out the next two batters and kept the Gauchos pretty well subdued from then on. Ruffart pitched pretty nice ball for Narbonne and had plenty of chance to win with good support. He weakened some in the eighth and was replaced by Len Blumenthal who allowed one run, but pitched great ball and had the Jordan swatmen baffled by his slow curves.

Torrance Pitcher Hurls 2-Hit Game, But Does Not Win

Alfred Jaunem of Torrance High pitched a two-hit game against Bell High last week when the two baseball nines met on the local field. The final score was 5-0 with the Torrance squad drawing the short end of the score. Bell is considered the strongest team in the Marine League, and the local nine made an excellent showing against them. De Crandall, son of a professional baseball player, is the crack pitcher on the Bell team.

Girls Organize Hockey Groups

Girls hockey teams have been organized recently under the direction of Miss Klein. Hockey is new this year and girls are entering into the game with a great deal of spirit. The first game was held Thursday afternoon at the local field between the Sophomore and Freshman girls with a final score of 2-1 favoring the upper class girls. Sophomores and Juniors will play sometime during this week or next.

Train Local Lads for Olympic Meet

A practice Junior Olympic meet was held at Torrance High Monday afternoon, to prepare the boys for the coming Los Angeles county meet to be held at Moore field, U. C. L. A. on Vermont avenue Saturday. Coach Sigurd Nylander is training the boys steadily and giving them every opportunity to practice and get into the open competition, so that they may give their best at the County finals. One hundred and twenty boys representing 12 districts will participate in the county finals Saturday.

Gauchos Grads in Football Drills

The alumni of Narbonne will hold their first football practice tonight at the high school grounds at 7 p. m. It is hoped that enough will be on hand to hold signal practice and indulge in a game of tag football. It is planned to hold practice each Monday and Thursday night from 7 to 8 in connection with the regular night school gym classes. All alumni and others who are interested in playing are urged to be out.

The annual alumni football game with the high school is scheduled for June 13 and it is probable that the alumni will bolster up their team with some outsiders. Among those turning out at present are Glen Hammack, Johnny Munger, Reuben and Lyndon Johnson, Billie Gairle, Orrel Perry, Clarence Annette, Max Schatz, Fudge Gehrhart, Vera Stralant, John Yelovich, Otis Weddie and Felix Makiinen. By having the players in good shape and plays perfected the game should prove more interesting than last year's game.

Torrance Opens League Sunday

Tansey Team Will Play Shell Oil Nine at Signal Hill

Manager Ed. Tansey of the Torrance ball team will take his men to the Shell Oil ball park, Signal Hill next Sunday, May 27, where they will tangle with the Shell men in the opening game of the Major League. The league series will run for 12 weeks. Three and possibly more games will be played on the home grounds in Torrance. Some hot games can be expected as the Torrance team is composed of veterans with plenty of baseball strategy at their command, and their opponents are also of a caliber to be respected. Teams represented in the league are Torrance, Shell Oil, El Paso Shoe Co., Pacific Steamship, Pacific Electric and Pasadena. Next Sunday's games will bring together Torrance and Shell, at Long Beach, Pacific Electric and El Paso Shoes, at Los Angeles, Pacific Steamship and Pasadena, at Pasadena.

National Supply in Cellar Place

P. E. Still on Top in Industrial Twilight Indoor League
The Pacific Electric entrant in the Industrial Twilight League continued in the lead although suffering its first defeat Monday night at the hands of the General Petroleum nine. The score was 3 to 5. That was a ball game. For several innings the score hung at 5 to 5 but the oil boys finally clinched things and went out ahead to a safe margin. Spud Murphy's National Supply lads went down to defeat twice during the week. Last Friday night they were severely trounced by the General Petroleum nine. The story is contained in the score which 18 to 5. Not such a bad week for the Petroleum aggregation, what? Last night the Doheny-Stone crew took the National's scalp, in an 11 to 5 victory. The game was Doheny-Stone's all the way. Murphy still maintains that he will be in the play-off. The standing:
