KEYSTONE NOTES

Mrs. J. Ellison of Concordia, Kansas is visiting her daughter, Mrs. Homer Anderson on Amelia street.

Hugo Robst has arrived at the home of his wife's parents, Mr. and Mrs. Arthur Pauliny of Amelia street from Chicago and will make his home in Southern California. His wife, Mrs. Robst arrived here several weeks ago.

Mrs. Harry Cooper and children of Dolores street, and two sisters, Mrs. G. B. Moore of San Francisco and Mrs. N. Ballard of Salt Lake City, Utah, motored recently to Glendale where they spent the day with Mrs. William Farr.

Miss Mabel Wisheart of Amelia street spent the weekend with her friend, Miss Lucille Fuller in Highland Park.

Mr. and Mrs. H. B. Nidever and family of Dolores street motored to Monrovia on Sunday.

John Kolesar is remodeling his home on Figueroa street.

Charles LeBoeuf is adding a pergola to his home on Carson street. He is enlarging his gardens and building another pond, this one in the rear of his home.

Amelia street is now torn up west of Main street and is being paved thirty feet wide to Normandie. The eastern end of Amelia will be paved later following the laying of the sewer laterals, thus forming the first through paved residence street in Keystone. This will be approximately four miles long and will extend from Normandie to Wilmington road which is beyond Avalon boulevard. When this has been done the Long Beach capitalists will subdivide some acreage in the vicinity of Wilmington road. The petition has been signed for this paving by the property owners and it has been surveyed by the county.

Friends here of Mr. and Mrs. L. S. Bowman now of Torrance will be glad to hear that they are the proud parents of a baby daughter born last week at their Tor-

rance home.

There will be no more B.Y.P.U. meetings at the Keystone Baptist church for the remainder of the summer weeks.

Mr. and Mrs. T. G. Cunningham and family of Amelia street spent Sunday at the home of Mr. and Mrs. E. T. White in Whittier.

The regular monthly meeting of the Keystone Chamber of Commerce will be held at Boosters' Hall on Main street on Saturday, August 24 at 7:30 p. m. Thomas A. Cowan, president anticipates a large gathering at this meeting as many important issues will be brought up. The directors met at the home of the president on Amelia street last Wednesday evening and made plans for this event.

Harbor City

Elmer Higgs, president of the Epworth League of the Harbor City Community church has just returned from the Epworth League conference at Idylwild where he has represented the local church. This is the third year of this institute and was attended by 180 young people. The morning hours were devoted to Bible study and the afternoon with supervised play. The day began at 10 A. M. and ended at 10 P. M. with a full program each and every day of the conference. Mr. Higgs reports a very interesting time.

A very important meeting of the Harbor City Chamber of Commerce will be held on Thursday evening at 7:30 at Brick Hall on Belleport boulevard with the president, Mr. Calvert, in the chair. This bids fair to be a very interesting meeting as the discussion of the evening will be the paving of Belleport boulevard. All those interested in this issue should be present.
