WALSH FANS FIFTEEN MEN IN SLOW GAME

Numerous Errors Rob Sunday's Tilt with Trammien of Interest.

The Torrance Blues won from the Pacific Electric teammen on Sunday at the high school grounds by a score of 5 to 1, in a game that was noted principally by the regularity with which the Trammien stepped to the plate and fanned out. Three of their runs were made on errors and in the eighth they came to life and scored two runs on a walk, a single and a triple, after which Walsh set the next three batters down on strikes.

Scrimmages Take Toll of Comrada's Men

Narbonne Squads Win Over Redondo—Meet Torrance Here Today

The forming of these teams also gives a basis for developing new material and giving the lighter men a chance to earn letters. Both Narbonne and Torrance are handicapped by green material this year and many of

Dove shooting within the city limits of Torrance can now be added to the attractions of the "Modern Industrial City." Fred Kern, Charles Vonderahe and Mike Elk got up early Monday morning and shot their breakfast. In less than a ten minute drive from their homes they bagged 13 doves and pigeons. Efforts to ascertain the exact rendezvous of the feathered flock were fruitless, but the hunters did boast that they didn't have to go outside of the city limits, and that there were plenty of birds left that they are saving for another morning when their aims are better.
