CHURCHES OF CHRIST SCIENTIST

Christian Science churches, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass., presented Sunday, October 27, a Lesson-Sermon on "Prohibition After Death." Among the Scripture texts in the Lesson-Sermon were the following from the Gospel of John: "The first day of the week cometh Mary Magdalene early, when it was yet dark, unto the sepulchre, and seeth the stone taken away from the sepulchre. . . . Then the same day at evening, being the first day of the week, when the doors were shut where the disciples were assembled for fear of the Jews, came Jesus and stood in the midst, and saith unto them, Peace be unto you. . . . And when he had so said, he showed unto them his hands and his side. . . . Then were the doors shut where they were, when Jesus came and stood in the midst, and saith unto them, Peace be unto you, and he marked the way for all men."

A correlative selection from the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy was as follows: "Jesus' un- changed physical condition after what seemed to be death was followed by his exaltation above all material conditions; and this exaltation explained his' ascension, and revealed unmistakably a prophetic and progressive state beyond the grave. Jesus was 'the way'; that is, he marked the way for all men."

Mr. Andrews roll-call class of 11-9 girls, elected class officers Wednesday, October 23, and the results were as follows: President, Pauline Falla, Vice President, Virginia Barton; Secretary, Ethel Sleppy; Treasurer, Lucille Thompson; Sergeant at Arms, Helen McMaister. These officers will preside at the first class meeting, the date of which has not been set.

We, the Girls of B-2, have won the "Girls' League" banner by wearing our uniforms of blue skirt, white middle with blue collar and black ties, the most since school has started. Therefore we will endeavor to keep our longest for banner for the rest of the year.

The B-7 grade has organized a traveling club which meets every third Thursday of the month. Miss Jones is the sponsor. Harold Wat-

The B-9 class of boys has the only pair of twins in the school. Herman and Harman Downing. This class also have 11 men out for football and expect to win the championship in the Interclass football league. The B boys from the freshman class are John Selby, Thomas Betz, James McLean, Raymond Rogers, Francis Iaven, Geo. Figueroa, Floyd Demman, Edward O'Dell, Herman Hammon, James Lee and Marion Minton.

Six of these boys are on the varsity football squad. Coach Sig Nylander is our home room teacher and the boys expect to have a very good time the next three years of school.

A few of the boys of Torrance high school are trying to get up a Chemistry club into action. A meeting was held Monday evening at Fred Marsteller's house, three boys being present, namely: Edwin Jarrett, George Gibson and Fred Marsteller. These boys hope to encourage more boys to take an interest in chemistry. A few tests were made satisfactorily. All tests were fully completed by 9 o'clock.

An election of the sophomore class officers was held October 29, 1929. Edgar Reeves was elected President. Grace Barnes, vice-president and Betty McIntyre, treasurer. The class is having a theater party and is going to see the latest mystery play at the President theater called "Remote Control."

The students of Torrance high having Agricultural letters met Tuesday afternoon to form a club. A temporary president and secretary were elected. They were Alfred Minton, president and Virginia Brown, secretary. Three committees were selected: a program committee, a committee to see about a meeting place, and a committee to draw up a constitution and present it at the next meeting. The name for this new organization is not yet decided.

The lineup for the Seventh grade football team is: Center, Prentice Johnson; left guard, Howard Gentry; left tackle, John Nady; left end, Billy Acker; right guard, Julius Jaggie; right tackle, Merlyn Cook; right end, Francis Doner. Morris and daughter, Sunny Jane, Fred Baker Norman and Patricia motored to Washington State where they stayed two days in Cosmopolis. They then continued to Yakima. After a sojourn of three days they motored to Emmet, Idaho, for two months play. On the way back to Torrance they stopped at Tennent, California, for a day and then came home.

Miss Baker said she was very glad to be home again, but they will probably return to Idaho in the spring.

The G. A. A. held a meeting Monday, October 28. About 60 girls turned out. They have planned to have a gingham-over-all dance December 8. An Aud. call to raise money so Torrance high can have a play day here was also planned. The G. A. A. is a large organization this year and is planning many good things.

The A-10 Sophomore class held a meeting Wednesday and elected officers. The class officers for this year are: President, Edgar Reeves; vice president, Grace Barnes; secretary and treasurer, Betty McIntyre; Sergeant at arms, Willie Azaguito.

The Sophomore class is going to see the mystery play, "Remote Control" at the President theater in Los Angeles. The class has set the date for Friday, November 8.

The different classes of the Torrance high school have been working very hard in trying to give over the other classes in the Herald contest. The seventh grade and seniors have been working especially hard. If the contest goes over big the townspeople will have to give credit to the seventh grade and seniors.

Mr. Smith, of the Murrell studios of Los Angeles, visited Torrance high school on Tuesday to show the seniors samples of his studio's work. In the past it has been customary for the Senior class to choose the photographer for the Annual, so last year the various studios sent their samples to that class.

SOMEHOW one instinctively gets the idea in looking at this appealing little bungalow of whitewashed common brick that it must of necessity perch upon the very crest of an upthrust of rock and face out upon the ocean. It just exudes a sea coast atmosphere. But whether it does or not there is no question of its cozy attractiveness and the singular restfulness which seems to pervade it. Bungalows of this general type dot the Southern California country and add tremendously to its appeal. For the visitor who has been accustomed to the more formal houses of the east or middle west there is something indefinitely intriguing about these low, squat and spreading little homes, with their gleaming walls and rough tiled red roofs that seem to smile a welcome at every hand. Their exteriors invariably reflect the Common Brick Manufacturers' Association, Cleveland, Ohio, can furnish complete drawings for this design on brick construction sent upon request.
