EASY TERMS...

May be arranged for Plumbing, Heating Work and Hot Water Tanks.

While we are equipped to furnish any type of heating equipment, we especially recommend Andrews Wall Heaters. They are easy to install in old as well as new houses and do not take up valuable floor space.

Unlike radiant heaters, the opposite side of the room is heated as well as the space in front of the heater. Pure air is drawn in from the outside, heated and circulated to all parts of the room.
