**CHRISTIAN SCIENCE CHURCH**  
 "The truth of the Lord endureth for ever. Praise ye the Lord." This declaration of the Psalmist constitutes the Golden Text in the Lesson-Sermon on "Truth" Sunday at all branches The Mother Church The First Church of Christ, Scientist, in Boston, Mass.  
 The Responsive Reading includes the mandates of Zechariah, "These are the things that ye shall do: Speak ye every man the truth to his neighbour; execute the judgment of truth and peace in your gates; and let none of you imagine evil in your hearts against his neighbour."

Among the Bible texts in the Lesson-Sermon will be these verses from Luke: "And, behold, there was a woman which had a spirit of infirmity eighteen years, and was bowed together, and could in no wise lift up herself. And when Jesus saw her, he called her to him, and said unto her, Woman thou art loosed from thine infirmity. And he laid his hands on her; and immediately she was made straight, and glorified God." A correlative passage from "Science and Health with Key to the Scriptures," by Mary Baker Eddy, states: "Our Master cast out devils (evils) and healed the sick. It should be said of his followers also that they cast fear and all evil out of themselves and others and heal the sick... Truth casts out error."
