Torrance School Notes

Tuesday the Student Council approved the formation of a Finance committee which is to be headed by the Student body Commissioner of Finance, a position held this semester by Melvin Lockhart.

The new committee will issue purchase orders for expenditures to be paid out of student body funds. These checks will be OK'd by Mr. Wood.

School constitution provides for such a committee, but the system has never been filed before.

Charterwood shield or placard, is now being made by students in the woodshop classes. Each semester, a bronze plate will be put on the shield bearing the name of the student body president for that semester. The names of all former student body presidents will adorn the shield, and then kept up to date, with the names added as they are elected.

Landscaping for the new science building is under way and is being completed this week. Mr. H. E. Merrill and the landscaping students have been working on the Carson street side and the former barren ground shows a great deal of improvement.

Letters to the Editor

The Torrance Herald accepts no responsibility for articles published under this heading, but is glad to publish opinions of its readers even though these opinions may differ from those of the publishers.

2717 Carson St., Torrance, Calif., February 19, 1930.

Editor: I understand there is a movement on foot for the improvement of lots in tracts 2761 and 4070, and in a recent issue of your paper there was an article by Carl Hyde which stated that he found nearly every property owner in favor of the improvement when they understood the situation and how the work was to be done.

I have been around to over 90 percent of residents in Vista Highlands and have found only two property owners that favored having the work done at this time. I am not opposed to have this improvement work done at some future date, but I think that we should first wait until the oil leases are quit-claimed and the property left clear for residential development. I am circulating a petition protesting the proposed improvement for this reason.

Very truly yours, H. E. BECKWITH, Torrance, Calif., Feb. 18, 1930.

Grover C. Whyte, Editor, Torrance Herald and Lomita News, Torrance, Calif. Dear Sir: Just a word of thanks for the splendid publicity given Torrance Lodge No. 785, Local Order of Moose in your paper, for our Mousetrap Charity ball, given January 1. Although this is a little late I hope you will pardon my tardiness, as it was an oversight on my part.

I might add that our meeting night is changed to Friday weekly at Recreation Hall on Carson St. Thanking you again for past favors. Yours truly, Jas. A. Koht, Secretary, Torrance Lodge No. 785, L. O. O. M.
