with the city 'so that the dify cash diptate to them matters of when, how and where." Wants City's Good Will : "Why does the water company want a franchise now when it has this so-called 'perpetual', agree-ment?" Mr. Nelson asked. "The company wants to do busi-ness with the city under a con-tract in order to 'get in the good graces of the dify by letting Tor-rance share in the profits-it any." Mr. Jensen replied. "This is not in exclusive franchise but will be not to the highest bilder." Then Mr. Nelson wanted to know if the tranchise is a special ob-dective before or after any cx-panaton work is done by the com pany. To this the altorney paswered that the company wanted the contracts with the city first before any further work is done. He said it was customary that any public utigs should set a franchise in order to operate property. "Would FRZ Cests-
