## TANSEY MEN GETTING SET FOR "SERIES"

### To Battle Long Beach Edison Team for Pennant

Night ball fans in Torrance and the surrounding countryside are eagerly awaiting the outcome of the three straight games to be played by the two leading teams in the Compton Indoor Baseball League.

Tansy's Barbers will meet the Long Beach Edison nine in the series and the result will definitely settle the Compton league's pennant race. The Long Beach team assumed top place in the league standings when the Tansy men lost to the Compton Edison crew, 13 to 8, last week.

To date the Long Beach nine have won six games without a loss; Tansy's have dropped one game out of eight played. Compton Edison has won seven and lost three; Compton Athletics split even with five wins and five defeats. Telephone has won but two games out of nine played and the Alco Tool Workers hold the unimpaired cellar with 11 straight defeats.

On his return from a vacation, Manager Ed Tansy conferred with league officials late last week and quite definitely let it be understood that the alleged "protest" game between his team and the Alco Tool crew was not in dispute and that the encounter would not be re-played. According to members of the Tansy team, the local players were not represented at the meeting when the "protest" was allowed.

## Governors Will Watch Take-Off of Aerial Derby

### Women's Races at Long Beach Will Start August 17

LONG BEACH.—Governors of five states and the governor of Lower California, Mexico, and Cuba, are expected to witness the start of the women's national air derby from the Long Beach Municipal Airport Sunday, August 17.

Governor C. C. Young of California has tentatively promised to attend; Frederick B. Balzer, governor of Nevada, will be here to officiate at the inauguration of a new air line from Long Beach to Las Vegas, Nevada, scheduled for August 17. Governor John C. Phillips of Arizona, Governor George H. Dern of Utah, Governor Richard C. Dillon of New Mexico and the Mexican governor have been implored to join the other state executives on the occasion of the hop-off of the two-story or more feminine fliers expected to participate in the eight-day cross-country derby which will finish at Chicago.

## Deep Sea Fishing at Night More Popular

HERMOSA BEACH.—Capt. J. M. Andersen, skipper of the Olympic fishing barge, anchored two miles off shore here, stated yesterday that in his opinion after-dark deep-sea angling is gradually growing in favor with Southland sportsmen. Every Saturday night, when the Olympic offers all-night hourly lunch service, scores of anglers keep coming to and from the big pleasure craft. One reason for the success of night angling is that strange fish are caught after-dark including eels, rat fish and dog-fish.

### APARTMENT DAMAGED

A fire, thought to have been caused by an overheated water heater, caused \$25 damage Sunday afternoon at the Norman Arms apartment, according to records at the fire station here.

## Local Golfer in Finals of Palos Verdes Invitational Tournament

Lindsay B. "Slip" Kelsey, local insurance broker, reached the finals in the third annual Palos Verdes Invitational tournament Sunday and emerged a winner in the first flight by defeating L. C. Smith, of the Long Beach Country club, 2 and 1. Kelsey has been playing flawless golf the past three months and was made an event bet against the field before play started.

He won his first three matches in true championship style and after a grueling 36 holes of super-golf on Saturday, entered the final Sunday morning fresh and in a serious frame of mind.

Kelsey's intimate knowledge of the tricky Palos Verdes fairways and greens stood him in good stead time and time again and, to the amazement of a large and orderly gallery, clocked off par after par. With the match even going into the eighth hole, Kelsey placed a beautiful iron shot within two feet of the pin for a birdie two and was one up on Smith.

### Some Good Putting

Halving the tough ninth hole in pars, they went into the final nine holes with the prospects about even. On the tricky 307-yard tenth, Kelsey dropped a twenty-foot putt for his par and was still one up. Playing the eleventh and twelfth in even figures, the two men went to the thirteenth with a strong ocean wind coming up the fairway.

Kelsey hit a long ball which was a little off line and leaving him a long way from the green.

Smith on this hole was straight as an arrow and with an easy approach looked like a cinch to even up the match. With grim determination, "Slip" took his spoon and with as perfect a ball as was ever hit, placed his ball within 10 feet of the pin. With careful deliberation he lined up his putt and then with a smooth stroke hit the ball back of the cup, spun around and dropped for a birdie three.

### Three Other Entries

With the match two up, they played the following three holes in par and the match was dormant two. Both men hit terrific drives on the seventeenth and eighteenth and with Kelsey in the trap on his approach, Smith placed his ball close to the pin with a down hill putt. Kelsey recovered with a beautiful shot out of the trap and with one putt to Smith's two, halved the hole and the match was over.

"Slip's" many friends in the gallery swarmed about him extending congratulations. Kelsey medaled a dazzling 73, two over par in this match. It is clearly seen that with his excellent golfing temperament and strong physique, Kelsey will always be a threat to tournament play where the nerve-strain is severe.

Torrance was represented by three other entries in the tournament although they did not fare so well. Wallace Post, George Fritts and Henry Ulbright won their first two matches and although they played sound golf were eliminated before the finals.

## Relief From Curse Of Constipation

A Battle Creek physician says, "Constipation is responsible for more misery than any other cause." But immediate relief has been found. A tablet called Rexall Orderlies has been discovered. This tablet attracts water from the system into the lax, dry, evacuating bowel called the colon. The water loosens the dry food waste and causes a gentle, thorough, natural movement without forming a habit or ever increasing the dose.

Stop suffering from constipation. Chew a Rexall Orderly at night. Next day bright. Get 24 for 25c today at the nearest Rexall Drug Store. Dolley Drug Co.—Adv.

## THE NEW WINFIELD CARBURETOR

### HENRY FORD

Born 1863

Benefactor of Humanity. The cause of good roads. At 46 he decided that mankind's liver needed shaking up and invented the flower and fat extender cases, the truck and tractor. Runs a farm at a profit and occasionally tells Wall Street where to head in. And makes it stick. Believes that every man should be well dressed and not spend too much money getting that way.

Our HART-SCHAFFNER & MARX SUITS on Sale at As Low as \$18.95 will surely help you.

## New Rate Basis Held Advantage To Bay Section

### San Pedro, Wilmington To Be Classied in With Los Angeles

New rate schedules are expected to be put in effect in the bay area of Wilmington and San Pedro on the basis of three-quarters of all distributing points. It was announced this week by H. D. Pinal, chairman of the Wilmington chamber committee working for the lower rates.

With the new rates in force shipments leaving the bay cities will be charged as if they were leaving Los Angeles, thus putting the metropolitan district on an equal basis as that of the uptown Los Angeles area, it is reported.

It is believed that this will work to an advantage for the entire harbor area inasmuch as terminals may now be located at the harbor district instead of Los Angeles as far as rates are concerned.

## Legion Putt-Putt Tourney Winners

Attracting a large number of entries, the first American Legion sponsored putt-putt golf tourney was held the latter part of last week at the Putt-putt course. Women winners were Miss Katherine Ortman, 44; Miss Thelma Dawson, 45; Miss Mary Quigley, 45; Miss Mable Hoover, 48; Miss Kittle Quigley, Miss Evelyn Klein and Miss Ross Ortman, 49.

The men who made low scores were Clifford King, 41; Bert Craft and Bascom Scott, 43; Wilbur Howard, 44; Richard Murphy, Don Berry and Leonard Bertrand, 45. The tie in both divisions will be played off in the near future. A number of prizes, donated by local merchants, will be awarded all winners.

## Blues Halve Games With Grocer Nine

A double header between the Torrance Blues and the El Porten's Grocers team at Grocers' grounds at Selvadere was played Sunday when the Blues took the first game, 11 to 2, and lost the closer, 4 to 1.

With Myers starting for El Porten in the first game, the Blues got off to a good start by pounding strike-out by Yelovich in the fifth inning. Myers contributed to his own downfall by passing Wolfe and hitting Flinker, after which he retired to the showers in the middle of the inning, replaced by Salazar, whose principal claim to fame during the tourney was his strike-out by Yelovich in the fifth inning on three pitched balls.

Yelovich held the Grocers to one lone hit in the first four frames, but was crushed for three in the fifth, the volley netting one run, two more hits, one of which should have been a strike out as it was a one-fly to right field, gave the Grocers their second tally. The final count in this session was 11 to 2, with Torrance leading.

With Rojas on the mound for El Porten, the second game was no Grocers' picnic, for Rojas was as light as a feather putting the noops on a barrel. The count at the finish was El Porten, 4; Torrance, 1.

Atwood worked him for a pass in the fifth, but that was the only generous act of the day for Rojas and it brought no gains for Torrance. His infield was hitting on all four, and the outfield was behaving like regular robots, so that while the Torrance boys got away many a blow there was always somebody ready in the receivers' line to put them away.

However, don't think for a minute that the Grocers were grumbling all the glory. Frenchie and his playmates held the Grocers outfit to eight hits and four runs, which were painfully chalked up one by one in four innings. Torrance's tally came in the ninth on Bouett's three-bagger and a long fly by Frenchie. Both teams played errorless ball, and the second game was played off in record time.

Next Sunday the Blues will play South Pasadena. Only four more games remain to be played in the league season which will close August 24.

## Sheriff's Substation Enlarged, Will Open Within Week, Report

Within a week the enlarged substation, located on Vermont avenue at 108th street, will be ready for occupancy, it is reported. The office has been confined to a single room since its establishment but the new quarters provide for an eight-room station with many facilities for more efficient service to this district.

Captain John Nishimura of the substation returned Sunday from a vacation in the northwest. H. R. McCaughy, night captain, is vacationing on the lakes north of Bishop.

## Former Kansas Man Takes Management of Hawkins' Store

E. G. Palmquist, who recently arrived in Southern California from Concordia, Kansas, is now managing the I. H. Hawkins store here.

The new manager took over the duties of T. L. Hawkins, brother of the owner of the store, who left to assume a similar position with the Hawkins' store in Porterville.

Mr. Palmquist comes to Torrance from Inglewood where he was engaged in mercantile work. He has already made a number of friends here for the Hawkins' store.
