COUGAR KILLS DOG

SADDLE MOUNTAIN, Ore. (UP)—
A cougar killed Forestor J. A.
Stevenson's dog only 60 feet from
his lookout tower.

Hey Duck Hunters! Here's Some Good News for You All

SACRAMENTO, (UP)— Unable
to find feed in the drought-stricken
area of the middle west, thou-
sands of ducks will swart into
California within the next few
weeks to make this season one of
the best in many years for California
duck hunters.

This is the belief of Fred G.
Stevenson, director of the state de-
partment of natural resources. The
ducks, which live on weed seed
and bits of foliage thrown the
wind, will find the prolonged dry
spell in the reservoirs and water
states has caused a shortage in
wild game food, Stevenson predicts.

Dub Golfer Sought As Robbery Suspect

MODESTO, (UP)— After con-
sidering the situation carefully,
police here decided to seek out a
golf dub in the hope of finding the
perpetrator of a robbery here.

Relief From Curse Of Constipation

A Battle Creek physician says,
"Constipation is responsible for
more misery than any other cause."
But immediate relief has been
found. A tablet called Rexall Or-
derlie has been discovered. This
tablet attracts water from the sys-
tem into the lazy, dry, evacuating
bowel called the colon. The water
softens the dry food waste and
causes a gentle, thorough, natural
movement without forming a habit
or ever increasing the dose.

Relief From Curse Of Constipation

HUNTER'S HOLIDAY

MADISON, Wis. (UP)— Duck and
hunters will be given a holiday
every Wednesday during the 1930
hunting season, the former to rest
and feed the latter because a 1929
legislative act says so.

MORE NIGHT SPORTS

HOSSICK FALLS, N. Y. (UP)—
If golf and baseball can be played
at night, there is no reason why
horseback riding can't be pitched under
moonlight. That's the reason the
squire boot hurlers of this place,
and now they're doing it.
