## FATHER, SON BANQUET TO BE MONDAY

Mayor Porter Will Speak at Program Given at Women's Club

The annual Father and Son week will be observed with a Father and Son banquet and program to be given at the Women's club next Monday evening, November 17, beginning at 6:30 sharp. The Father and Son idea has been tested out now for nearly a quarter of a century and has been found good. Fathers and their

Mayor John C. Porter

boys have come together in happy fellowship at events of all sorts and they have always reported the results to be helpful and constructive.

Rev. George Elder, teacher of the Torrance Men's Bible class, who is sponsoring the banquet, says: "As fathers, we do not know our boys as we should. Therefore, we believe that such a banquet and program can be used to develop a better fellowship and a more friendly attitude between fathers and their boys."

Some very exceptional talent has been secured for the banquet. John C. Porter, mayor of Los Angeles, will be the principal speaker. Mayor Porter is in a position to know the many problems of the father and his son and will bring some fine first-hand information. Mr. Deeban, the famous ventriloquist from one of the United States battleships, will be present with his doll to entertain. Jesse Feldman, the popular tenor, who is also from out of the battleships, will sing a group of songs. There will be many other special features. Get your tickets from George Dolton, "Bill" Gascolgne or "Vic" Buckler.

**CHRISTIAN SCIENCE**  
Paul's words to the Corinthians, "As we have borne the image of the earthy, we shall also bear the image of the heavenly," constitute the Golden Text in the Lesson-Sermon on "Mortals and Immortals" Sunday, in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

One of the Bible selections includes other words from Paul's First Epistle to the Corinthians: "Now this I say, brethren, that flesh and blood cannot inherit the kingdom of God; neither doth corruption inherit incorruption. Behold, I shew you a mystery; We shall not all sleep, but we shall all be changed: in a moment, in the twinkling of an eye, at the last trump; for the trumpet shall sound, and the dead shall be raised incorruptible, and we shall be changed. For this corruptible must put on incorruption, and this mortal must put on immortality."

A correlative passage from "Science and Health with Key to the Scriptures," by Mary Baker Eddy, states: "We know that all will be changed in the twinkling of an eye" when the last trump shall sound; but this last call of wisdom cannot come till mortals have already yielded to each lesser call in the growth of Christian character."

## Legitimate Buying

Should Be Continued

Present prices are unusually reasonable, and a long stride toward relieving the present "tight money" situation would be accomplished by the public returning to normal and legitimate buying.

Although we cannot say conditions in Torrance are at their best just now, a study of affairs in this community indicates that we are in much better condition than most sections of the United States. Our difficulties here at present, being more psychological than actual.

There has not been any better time in several years for anticipating early requirements. Indiscriminate buying is never wise; but careful buyers today can literally "get a lot for their money."

Therefore, we do not hesitate to advise:

"Buy Now for All Legitimate Requirements and Help Our Old Prosperity Return."

### Brotherhood Meet

The pastor and committee of programs have secured Mayor Fickling and Attorney Clyde Doyle to speak this Thursday night for the First Methodist Brotherhood club. Attorney Doyle is chairman of the commission on Parks, Play Grounds, and spent more than \$100,000 in the good of Long Beach last year for good of the boys and girls. These men came to Torrance, having been invited by the Methodist men, who will seek to start such a program in their own city.

Chairman of the evening will be Jack Gill. Musical program to be given by "Scottie" and Eugene Della, the radio man. The ladies will serve lunch after the program.

"These meetings are for the church, our industrial plants, and the men of our city. Men, come, and you will want fellowship with this happy radio man. The ladies forward move for the good of our boys and girls. Remember the time is 7:30." Rev. R. A. Young said today.
