

Harbor District Scouts to Observe 21st Anniversary

Three Events to Be Held By All Troops in Celebration of Founding of Boy Scouts in 1910

Torrance Boy Scouts are actively interested in three Scout events to be held in the Harbor District area starting tomorrow, Friday, evening with a rally at Veterans high school in Combs.

Saturday afternoon, February 7, there will be an automobile parade through the Harbor District, starting at San Pedro and going through Wilmington, Harbor City, Combs, Torrance, Gardena and to Western City, where the parade will disband. Each troop has been asked to provide at least one car and as many more as they may desire. These machines will be decorated and a permit for the best design or fleet will be awarded.

Anniversary Day Sunday
The two local troops are each planning to enter a float in the parade, which will assemble at 12:30 p. m. on the Combs road between Annette-Riviera, Combs, Gardena and San Pedro. The Scoutmasters of the Torrance troops, Robert Lovell and Frank Steinhilber, are asking the parents of the Scouts to donate the use of the family car if not in use, and to give for the Torrance part in the procession.

Sunday, February 8, is anniversary day all over Scouting, celebrating the 21st anniversary of the founding of the great movement which now enrolls 442,822 boys. Every Scoutmaster and Boy

ELEMENTARY School Notes

Mrs. Marie Williams, who has been vice principal of the Torrance elementary school, has been transferred to Gardena, where she will be principal of a development institution with 10 teachers. Mrs. Williams is to be principal.

Mrs. Bill Kern DeLisseques is the new vice principal here. Mrs. DeLisseques comes from Nevins avenue school in Los Angeles.

Last Friday Mrs. Eleanor Alford, Miss Alice Coonerty, Mrs. Hilda Powell, Mrs. Mary Schweinike and Mrs. Helen Weston were invited to an luncheon in honor of Mrs. Williams. The ladies were escorted in line and while the school colors and the place cards carried the same colors. Some of the other girls in the immediate vicinity assisted with the luncheon. Mrs. Williams was presented with a bouquet by Principal William M. Bell Jr. The whole school regrets Mrs. Williams' departure, but rejoice in her promotion and wishes her success and happiness in her new position. The hostesses are all teachers in the immediate vicinity and entertained the rest of the faculty.

Enrollment of the lower grades has increased enough to have a new teacher for the B. V. room. Mrs. Rosemary E. Hines was appointed Tuesday.

There are a few more vacancies in the kindergarten.

SPRING ATHLETICS AT HIGH SCHOOL CENTER ON TRACK AND BASEBALL WORKOUTS

Baseball—that great American sport that appears to be languishing at many educational institutions, both secondary and higher—will not be discontinued at the Torrance high school.

The local team will play 10 games—five at home and five away—starting April 28 with a game at Ocean (this high school in Wilmington). Games will be played on Tuesdays and Thursdays. Practice has already started and is being held in conjunction with track workouts. Earl Fields has charge of the diamond sport while Raymond Smith will mentor the track and field games.

Dual and tripartite meets are being arranged for track competition in the Marine League with one at Ocean (this high school in Wilmington) and one at Sycamore Grove Park, Los Angeles, under the auspices of the Indiana State Society.

Essential Support Urged
Basketball is over for 1930. The B and C teams of the local school were last season in their respective league divisions. The B team having won all but their game with Jordan. The Class D team tied with 22 opponents for first place. The A or varsity team had a disastrous season, losing all their early games in the league and this narrow margin, ranging from two to six points.

Both Coach Fields and Principal Herbert S. Wood emphasized the need for more interest on the part of the townspeople and student body in the basketball this spring. There are about 20 men out for the team, eight of them veterans of preceding years. Fields is expecting good performance from his battery composed of Willard "Spide" DeLand and Harry Paiman, pitchers, and Willie Aquino, catcher.

McKnett Made Mgr. Of MacMarr Store
E. S. McKnett, well known chain store manager of Torrance, was this week appointed manager of the MacMarr store on Sycamore avenue. Since Mr. McKnett took over the MacMarr store, he has rearranged the display and generally improved the appearance of the Sycamore store market.

Mr. and Mrs. McKnett and their son, Harold, live at 1827 Cabrillo avenue, Torrance, and their friends will be glad to hear that they are to remain in Torrance, and Mr. McKnett states that he will be pleased to have them drop in and see him at his new store location.

FLIND WITHDRAWN
Because the football season is over, the directors of the Chamber of Commerce decided Monday to withdraw the business of the 28th annual carnival that will be sponsored by the city of Torrance.

Bears to Play Double Header At Pueblo Sun.

A double-header will be played by the Torrance Bears at the Pueblo Sun stadium Sunday afternoon, beginning at 12 o'clock noon. The local first team will engage the Pueblo Sun team and the Los Angeles Bears in what promises to be an afternoon of the sport.

Last Sunday the Bears sported on their games, winning 12 to 2 from the Columbia Steel nine and dropping one to the Garwood team. The Bears have a record of 11 wins and 11 losses.

The lineup for the first game was: Pitcher, (injured), Vicente; Infield, (injured), Vicente; Outfield, (injured), Vicente; Catcher, (injured), Vicente; Batter, (injured), Vicente.

For the second game the Bears will play against the Pueblo Sun team. The Bears have a record of 11 wins and 11 losses.
