Would Have 6-Year Term for Governor

Future governors of California may serve terms of six years instead of four, without the privilege of re-election, if the legislature approves a measure introduced by Senator J. M. Inman of Sacramento. If adopted, Inman says, his proposal would eliminate bitter political campaigns and sectional feuds giving a governor time to carry out a comprehensive program.

CHURCHES OF CHRIST, SCIENTIST
A Lesson-Sermon on "Soul" will be delivered, Sunday, February 15, in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.
One of the Scripture citations includes these verses from John: "And as Jesus passed by, he saw a man which was blind from his birth. And his disciples asked him, saying, Master, who did sin, this man, or his parents, that he was born blind? Jesus answered, Neither hath this man sinned, nor his parents; but that the works of God should be made manifest in him, I must work the works of him that sent me, while it is day: the night cometh, when no man can work... When he had thus spoken, he spat on the ground, and made clay of the spittle, and he anointed the eyes of the blind man with the clay, and said unto him, Go, wash in the pool of Siloam, (which is by interpretation, Sent.) He went his way therefore, and washed, and came seeing."
A correlative passage from "Science and Health with Key to the Scriptures," by Mary Baker Eddy, states: "A demonstration of the facts of Soul in Jesus' way of him that sent me, while it is day: the night cometh, when no man can work... When he had thus spoken, he spat on the ground, and made clay of the spittle, and he anointed the eyes of the blind man with the clay, and said unto him, Go, wash in the pool of Siloam, (which is by interpretation, Sent.) He went his way therefore, and washed, and came seeing."
