R. A. Young of the First Methodist Episcopal church.

Sunday night Rev. Young will preach on the subject: "The Way to God." The jam is not only political, social, but religious. This timely message demands a large and interesting hearing. Special music for this service.

CHRISTIAN SCIENCE CHURCHES

The Lesson-Sermon Sunday is on the subject "Mortals and Immortals," in all branches of The Mother Church. The First Church of Christ, Scientist, in Boston, Mass. This sentence from Paul's letter to the Galatians, "He that soweth to his flesh shall of the flesh reap corruption; but he that soweth to the Spirit shall of the Spirit reap life everlasting," is the Golden Text.
One of the Scripture selections presents Paul's words to the Corinthians: "Now this I say, brethren, that flesh and blood cannot inherit the kingdom of God; neither doth corruption inherit incorruption. . . . For this corruptible must put on incorruption, and this mortal must put on immortality. So when this corruptible shall have put on incorruption, and this mortal shall have put on immortality, then shall be brought to pass the saying that is written, Death is swallowed up in victory."
A correlative passage from "Science and Health with Key to the Scriptures," by Mary Baker Eddy, states: "Emerges gently from matter into Spirit. Think not to thwart the spiritual ultimate of all things, but come naturally into Spirit through better health and morals and as the result of spiritual growth."

Meanwhile, notice is being given the owners of the derrick that it has been ordered removed and destroyed under a State law.
The council in ordering both measures Monday night, set the time of 8 p. m., June 2, for the hearing of protests against the summary destruction of the derrick, which has been found unsafe and unsightly.
