

City-Wide Committee Endorses PARK AND PLAYGROUNDS!

VOTE
"YES"
June 9th

*W*E, the undersigned citizens of Torrance, believe that the proposed Park and Playground issue to be voted upon Tuesday, June 9, is of great importance to the future development of this city, as well as to the health and happiness of its citizens.

VOTE
"YES"
June 9th

It is particularly timely to do this work NOW in order to furnish work for the unemployed, as it is estimated the project will provide part time employment for 300 men over a period of three months. When one considers that the cost to the average home owner in Torrance is LESS THAN ONE-FOURTH CENT PER DAY, we can see no reason for not approving the bond issue. Every registered voter is urged to go to the polls June 9, and vote "YES."
