Chamber Worker Is Right On Job

L. J. "Gil" Gilmeister, assistant secretary of the Torrance Chamber of Commerce, has only been working in that capacity for two weeks but has already made a wide circle of friends and acquaintances here. He was formerly connected with the Doherty Stone-Drill Company and with the public relations department of the Los Angeles Gas & Electric Company.

"Gil" has taken over the duties performed by Miss Edith Harshman and has relieved Carl Hyde, executive secretary, of much routine work in the chamber office. He was a guest of J. W. Leech at Kiwanis meeting Monday evening.

"Bailer Brigade" Training For County Fair

Here is a glimpse into the training camp of farmerettes preparing for the annual farm girl championship contests at Los Angeles County Fair in Pomona Sept. 18 to 27. The fair maidens are being hauled out to the training grounds where they will receive a bit of pitchfork etiquette. From left to right the farmerettes are Ernestine Driscoll, Lucile Gates, Maurine Hayman, Catherine Johnson, Ruth Decker and Norman Adkins.

Ball Park Debt Is Discussed Tuesday

(Continued From Page 1-A)
The directors stated that they would like to relieve the five baseball enthusiasts of their responsibility, but at this point, Corner was obliged to leave the meeting to attend a Legion session and no action was taken. The discussion of the baseball matter lasted for over an hour.

It was brought out that many cities, including San Pedro, San Fernando, Burbank, Glendale and Los Angeles, have had lights installed on school ground at no cost to the city itself and with the Board of Education paying for the operating expenses of the field. The resolution directing the Educational committee to take up the matter with the school authorities was passed just before the meeting adjourned.

Red Jackets Defeat City League Leaders in Unscheduled Fray

There would have been, perhaps three times as many spectators present at the illuminated ball park Friday night if it had been generally known that the Red Jackets were playing the city league leading Torrance Pharmacy nine. The Jackets had been scheduled to play the Compton Merchants, but this game was postponed and the pit-rollers substituted. The score was: Red Jackets, 5; Pharmacy, 2.

It was a sweet ball game. A return engagement, later in the season, is undoubtedly in the cards as the two teams have won a wide interest and, if announced ahead of time that they are to meet, should draw a capacity crowd.

Neva, sensational 15-year-old pitcher for the Jackets, continued his fine work on the mound by striking out 15 prescription-filters and allowing but seven hits. Winkler, Pharmacy hurler, struck out five Jackets and allowed eight hits. The Jackets got five free strolls to first base on Winkler's wide ones.

WHAT-A-GAME! LOMITA WINS SUNDAY, 24 TO 22

LOMITA—"The hottest game ever" that was what the fans called Sunday's game. Lomita won from the Valley Boulevard Merchants, 24 to 22. In the fourth inning the score was 2 to 1 when the Valley Boulevard Merchants made ten runs after two men were out. Lomita came to bat, had two men put out, and then made ten runs. Then the Merchants began to make Lomita look hopeless. In the eighth inning the score was 22 to 14 in favor of the Merchants when Lomita again made ten runs, and took the game in the ninth with a score of 24 to 22.

Legion Vets Stage Overtime Battle

(Continued From Page 1-A)
"bought" a team to play under the Legion's name. Here's what he said:

"I am not paying any player a cent. Last night I gave a host me a little over \$3—just for transportation alone. Brown is not being paid by the Legion and has never held out for a high price when approached to play on any other local team. The boys are donating their services to help the Legion raise funds for the drum and bugle corps."

By the United Press
ST. LOUIS—Proof that miniature golf has been "stymied" here was seen when only 23 permits for courses were issued, compared with 64 last year. Course owners blamed the depression.

LONG BEACH DRAKES WIN AGAIN FROM JACKETS, 3-0

Again the Long Beach Drakes triumphed over the Red Jackets, winning Monday night, 3 to 0. The Drakes defeated the Jackets early last month by another close score, 3 to 2. In the last game here, not a Torrance player touched third base during the torrid encounter. Corbins started on the mound for the locals but was relieved in the sixth by the demon kid pitcher, Hargas. McClure, Drake catcher, poled out a home run in the fourth, driving a man in ahead of him.
