VEGETABLES FOR SALAD UPPER LAKE NO. 2 CAN.....	23 c

Local Scouts Learn To Swim In Class

The Boy Scout swimming class conducted each Monday evening in the Anderson plunge in San Pedro Harbor district, started its fall season last Monday evening with an attendance of 75, a record number for an opening night. Eleven local scouts and eight local Boy Rangers, boys between the ages of 8 and 12 who are privileged to attend, were present.

There is no charge for instruction. This season includes speed swimming and diving, and free transportation to the classes is provided through the courtesy of the 12 Parks, leaving the scout bus on Carson street each Monday evening at 7 o'clock.

TO HOLD PARTY

The Royal Neighbors will have a card party at their lodge rooms tomorrow evening to which the public is invited.

Dust At Ball Park To Be Stopped Soon

Next season a high board fence will be erected around the illuminated baseball field at Border and Carson, or some other means will be employed to keep down the dust, according to Ed Tansey this week. The Chamber of Commerce received a letter from Mrs. Nellie Bain, of the National Hotel, protesting about the dust nuisance that the field was causing guests at the hotel. The letter was referred to professors of the field.

Tansey said that he realized the dust raised nightly was objectionable but said that only two and possibly only one more game was scheduled to be played under these conditions yet this season. Next year proper means will be taken to eliminate the nuisance, he promised. Tansey said that he appreciated the amicable way in which Mrs. Bain made her complaint and that within the next few days the park would be closed for the season.

'Sporting Blood' Is Change From Film Fare

Thrills of the racetrack and the schemes and methods of crooked gamblers serve as a colorful background for a love story in "Sporting Blood," Metro-Goldwyn-Mayer's drama of racing life, which will come Sunday to the Torrance Theatre.

Though not a racetrack play in the usual sense of the word, it shows the entire racing business as a background for its central theme. Thrills of the Kentucky Derby, intimate glimpses behind the scenes in paddocks and in gambling halls are incidental to the love story that runs through the play.

Gable Featured Clark Gable and Madge Evans play the lovers, and Ernest Torrance, Lew Cody, Marie Prevost, Harry Holman, William Cowley, J. Farrell McDonald and others are in the cast.

The story deals with the career of a racehorse, passing from owner to owner, finally into the hands of a crooked race manipulator, then into the hands of a gambler's "moll" and her lover, a blackjack dealer. These, in their efforts to rehabilitate the broken horse, find regeneration for themselves.

'Depression Jazz'

In a beautiful redwood grove in Marin county, Joseph Maggilo entertained a number of his countrymen at a picnic with his new style of jazz on an accordion.

Wealthy residents of the district were attracted to the grove by his melodies and now Joe is launched on the road to success. The accordion, he explains, is an excellent hard-times substitute for an entire orchestra when played properly.

Two Powerful Dramas Are On Week's Bill

Warner Bros. San Pedro Theatre is presenting Thursday, Friday and Saturday, a most interesting and entertaining picture story in "Graft." In selecting the cast for this fine production the directors could not possibly find two greater characters for the leads than smiling Regis Toomey and Sue Carol. As a cub reporter, Regis Toomey again scores another one of his great hits in this fast moving drama, getting himself tangled up in more than one predicament only to wiggle out, much to the satisfaction of "Conny" played by Sue Carol, as the daughter of the city's leading politician.

"Waterloo Bridge" will start Sunday for a four-day run. An odd title for a picture, true, but moving pictures are seeking unique and unusual titles in the same way that producers are seeking unique and unusual stories from which to make them.

"Waterloo Bridge" is tremendous in dramatic power! It is a heart-altering in its beauty and its infinite variety. It is heart-breaking in its emotional appeal! It has a great love story, one of the most unusual in modern drama, between a girl who wanted desperately to love deeply, when it was too late for her to deserve it, and a boy who knew all and still would surrender the world to his heart's cry.

"Blue Ribbon Pictures" Live Up to Their Name

September, "The Blue Ribbon Month" of the new show year. More really big pictures, more great stars and artists. In finer and better productions—that's what the Fox Redondo Theatre has in entertainment for its many friends and patrons.

Look over this week's "Blue Ribbon Pictures": Saturday only, "Caught," an all-thrilling story of the days in the lawless West, starring Richard Arlen and that great character actress, Louise Dresser, as the hell-cat Calamity Jane, notorious, gun-toting bad-woman of the old West. Also that chapter story, "The Vanishing Legion," with the stars of Trader Horn, Harry Carey and Edwina Booth.

Sunday and Monday only, both matinee and evening, the picture the whole country is raving about—"Bad Girl"—starring those two great new stars, James Dunn and Sally Eilers. Have you seen and heard them? Well, do so at once. See and hear "Bad Girl."

Tuesday and Wednesday, the newest yet, the picture about the 5,000,000—yes, 5,000,000—American traveling men, "Traveling Husbands," starring Evelyn Brent and Frank Albertson.

Thursday and Friday, Edmund Lowe's very latest thrilling mystery drama, "The Spider." What suspense, what thrills, what mystery. "The Fox Redondo" Theatre, the show place of the Bay District. A good show every day.

DEER SEASON IS OPEN: LOCAL HUNTERS READY

Deer season opened yesterday in this and other Southern California counties and a number of local hunters are either out after the antlered ones or planning to trek into the mountains this week-end. The High Sierras are reported hunting man's dream, most of them good weight. The season now open in coast counties north of Los Angeles will close September 14.

TO BEAUTIFY PARK

According to Councilman G. A. R. Steiner, the little park at the south end of Plaza del Amo can be beautified at no expense to the city and the spot made quite attractive with a few trees and shrubs. Accordingly, the street department was ordered to improve the location. Steiner did not explain how the work is to be done "without cost" but the work was ordered, nevertheless.

DANISH FLAG AT PARK

By the United Press
REDDING.—When the recent dedication of Lassen Volcanic National Park here was held, the

Danish government discovered that the late Peter Lassen, after whom Mr. Lassen was named, was of Danish parentage. Accordingly, the Danish flag is now flying over the entrance to the park.
