Far Places of World Hold Charm For All People
The far places of the world hold a charm for almost all of us. Certain regions have magic in their very names—Bagdad—Samarkand—Venice—Madagascar—and last but not least—Singapore!

Though Singapore is not actually reached by the unconventional hero and heroine of "The Road to Singapore," the Warner Bros. picture starring William Powell, and coming to the Torrance Theatre Sunday and Monday—it is to Singapore they are bound—when Skipworth, Lumsden Hare, Syreel Davis and A. E. Ansan. The picture is based on a play by Roland Pertwee.

Honoring Mrs. Ina Scow of Wellington, Kansas, sister of Mrs. F. L. Parks, Mr. and Mrs. Parks entertained with a dinner party at their home Wednesday evening.

at fox redondo

"The Unholy Garden," which comes to the Fox Redondo Friday and Saturday, is the first rough-neck part Ronald Colman has portrayed since "Condemned."

In the Mecht-MacArthur story, his role resembles "Beau Geste." A group of refugees from the law—thieves, murderers, embezzlers and general rogues—are grouped together for protection in a Sahara outpost, outside the pale of international law. The story hinges upon their efforts to locate and steal an enormous store of wealth supposedly hidden by one of their number.

Heralded as one of the outstanding talking pictures of the year, "The Sin of Madelon Claudet," taken from the stage success, "The Lady," will open at the Fox Redondo Sunday for two days only. The story is one of tremendous emotional sweep, depicting the melodramatic career of a woman who sinks to the lowest depths for the sake of her child. The part of Madelon is played by Helen Hayes, sensational New York stage star who makes her first screen appearance in this production.

Tuesday and Wednesday the Fox Redondo Theatre presents "The Yellow Ticket," with Lionel Barrymore and Ellsina Landi. Reeling as it does the adventures of a young and sensitive girl hounded by the most cruel and relentless persecution of modern times, and how by courage and love she casts aside the fetters of intrigue, for sheer power, realism and vividness, "The Yellow Ticket" takes its place among the greatest pictures of this talking era.
Lawrence Tibbett, the screen's greatest singing actor, coming to the Fox Redondo Theatre Thursday and Friday for two glorious days in "The Coman Love Song." The picture combines music, romance and adventure. The hero of the "Rogue Song" is seen in modern garb as a swashbuckling, singing marine who figures in an engrossing romance of Cuba. Tibbett is supported by fiery little Mexican heroine of the "Squaw Man." Front-row seats are filled by Ernest Torrance and Jimmy Durante.

WANT TO DISCONTINUE STAGE LINE WEAR HERE

The application made to the Railroad Commission by Guy C. Lyons, operating under the name of Highland Transportation Company, asking authority to discontinue a stage service between San Pedro and Palms Verdes Estates, was heard at a public hearing held at the San Pedro Chamber of Commerce, Tuesday. Albert L. Johnson, examiner for the Railroad Commission, presided at the hearing. At the conclusion of the hearing it was announced that the commission would take the matter under advisement and return a decision in the near future.

Piggly Wiggly

Now Has Own Meat Market

An entirely remodeled and enlarged Piggly Wiggly market will greet its customers Friday morning when the new Piggly Wiggly operated meat market will be introduced to the public. Previously the meat department has been owned by R. C. McMullin, but beginning Friday morning all units in the San Pedro avenue Piggly Wiggly store in Torrance will be operated by the Piggly Wiggly organization.
The store has been entirely remodeled and enlarged to accommodate the new meat market, which is now located at the front of the store and equipped with the latest refrigeration system and other facilities. Only the finest products will be sold in the meat department, in keeping with the high grade service maintained in the grocery and produce departments.

Special Prices

In order to fittingly introduce the newly remodeled market, celebration prices for Friday and Saturday are advertised in this issue of the Torrance Herald. Additional fruit stands have been installed and extra floor space has been given to the grocery department, permitting of larger varieties of goods in both these departments as well as the new meat market.
A cordial invitation is extended by the Piggly Wiggly organization to all residents of Torrance and vicinity to inspect the remodeled market this week and when especially low prices will be in effect.
