The meeting of the City Council on December 1, 1931, was held in the City Council Chamber, City Hall, Torrance, California, at 7:30 p. m. The meeting was presided over by Mayor J. W. ...

**Washington Celebration**  
 The Mayor reported that the Washington celebration to be held in Torrance on December 15, 1931, is being planned by the Washington Club. The Mayor expressed his appreciation for the efforts of the club and the citizens of Torrance in making this celebration a success.

**Budget for 1932**  
 The Mayor presented the budget for the year 1932, which shows a total of \$1,000,000. The Mayor stated that this budget is a conservative one and that the city is in a position to meet its obligations for the coming year.

**Abandonment of Water Street**  
 The Council discussed the proposal to abandon Water Street from the intersection of Broadway to the intersection of 10th Street. The Mayor stated that this street is in a poor state of repair and that it is not economically feasible to maintain it. The Council voted to abandon this street.

**Highway 101**  
 The Council discussed the proposal to improve Highway 101 from the intersection of Broadway to the intersection of 10th Street. The Mayor stated that this improvement is necessary for the safety and convenience of the citizens of Torrance. The Council voted to approve this improvement.

**Insurance**  
 The Council discussed the proposal to insure the City of Torrance against fire and theft. The Mayor stated that this insurance is necessary to protect the property of the city. The Council voted to approve this insurance.

**Vicksburg Improvement**  
 The Council discussed the proposal to improve the Vicksburg area. The Mayor stated that this improvement is necessary to make this area more attractive and to increase the value of the property in this area. The Council voted to approve this improvement.

**Billions of Dollars**  
 The Council discussed the proposal to issue bonds for the purpose of raising millions of dollars for the improvement of the city. The Mayor stated that this is a necessary step to make the city more modern and to provide for the needs of the future. The Council voted to approve this proposal.
