## IN 5 MINUTE MAGIC

Good-bye to old-time frosting that took a long time to spread—in five minutes it's spread on your cake, in rich swirls, a half-inch thick. It always succeeds. It's a magic!

And this frosting trick works on others! Add hot water—Hot Sauce. Add more hot water—Hot Chocolate. Or egg whites, it's a Choco

\*MAKE NO MISTAKE. Brand Sweetened Condensed simply won't work in this
