 BELFAST.—(U.P.)—On a high hill within a mile of the spot where St. Patrick landed from Rome 1,500 years ago, Ireland is to erect a great open-air altar. The money is being raised among villages. The first sod was turned on St. Patrick's Day during the celebrations of the 15th century.

Big Halibut Run Off Olympic Barge
 HERMOSA BEACH.—Halibut started their annual spring run in Southern California waters last week, reports Capt. J. M. Andersen, skipper of the big Olympic fishing barge. Large strings of halibut are brought back daily from the Olympic. Andersen believes the Olympic's new anchorage has a lot to do with the unusually large number of halibut hooked, the big vessel being right on the edge of a natural fish feeding bank. Many other species of fish are also being caught including white fish, rock bass, sandbars, mackerel and bonito.

 The Saturday attraction at the Fox Redondo Theatre features Helen Twelvetrees, Robert Armstrong and Charles Bickford in "Panama Flo." This forceful melodrama of the tropics, is the story filled with suspense and thrilling action of "Panama Flo," a misfortunate, yet beautiful, New York show-girl stranded in a Panama honky-tonk. Sunday, Monday and Tuesday—three big days—the picture of the year, with three great stars, "Hell Divers." The most thrilling, most human, greatest entertainment you have ever witnessed in any one picture, starring Wallace Beery, Clark Gable, Conrad Nagel, Dorothy Jordan, Marjorie Rambeau and Marie Prevost.

A year in the making. Such a drama of love, of thrills on land and in the skies—such tense tragedy stepping on the heels of laughter, as the screen has never shown. "Five Star Final," that great drama that brought such fame to Edward G. Robinson, will be the feature showing on Wednesday.

Thursday and Friday, two feature pictures. Buck Jones in "High Speed" and the beautiful, the incomparable Constance Bennett in her newest—"Lady With a Past," with Ben Lyon and David Manners. Constance Bennett, the divine enchantress of the screen; ideal of women, idol of men—at her very best in this modern story of a girl too rich in wealth, too poor in love; men eager for her millions, whispered tempting lies but her arms yearned for the man she could not hold.

Economy and Convenience with New Natural Gas Ranges

Economy Move Reduces Number of Judging Contests
 SACRAMENTO.—(U.P.)—Elimination of five judging contests of the Future Farmers of America will save California school districts \$15,000, according to Julian A. McPhee, chief of the state bureau of agricultural education.

The contests are being reduced from eight to three with the elimination of dairy products, citrus, farm mechanics, agronomy and tree judging. Those retained are livestock, dairy cattle and poultry, as all three are to determine state champions for participation in national contests.

"Thrifty is an important part of the Future Farmers' program," McPhee explained. "Students are being encouraged to more actual productive work on their projects through efficient cost accounts and through efficient marketing. This is designed to help them prepare for depressed times they will encounter in real life."

Wisteria Festival at Banning Park
 Wilmington organizations are sponsoring a wisteria festival to be held Saturday and Sunday, April 2-3, at which time the big wisteria vine in Banning park will be in full bloom. The vine was planted 38 years ago by the Bannings, and has grown to huge size. The Banning home, usually closed to visitors, will be open during the two days of the festival and members of the Woman's club and Business and Professional Women's club will act as guides.
