CHURCHES OF CHRIST, SCIENTIST
"Mind" is the subject of the Lesson-Sermon on Sunday, August 21. In all Christian Science churches, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass. One of the Bible citations in the Lesson-Sermon presents the verses from John: "And there was a certain nobleman, whose son was sick at Capernaum. . . The nobleman saith unto him, Sir, come down ere my child die. Jesus saith unto him, Go thy way; thy son liveth. And the man believed the word that Jesus had spoken unto him, and he went his way. And as he was now going down, his servants met him, and told him, saying, Thy son liveth. Then inquired he of them the hour when he began to amend: And they said unto him, Yesterday at the seventh hour the fever left him." A correlative passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, says, "Science can heal the sick, who are absent from their healers, as well as those present, since space is no obstacle to Mind."
