**Youth of Torrance Eligible For Camp**

Records of the county stabilization bureau were being checked today for the names of youths from Torrance and other sections of the county between the ages of 13 and 25 years who are eligible for the civilian conservation camps recently authorized on plans of President Roosevelt. The youths must be unattached and those with dependents will get first call. Angeles national forest, a broad band through the center of the county, will be the location of the camps. The board of supervisors wired its unanimous approval of units in California to Washington on Wednesday night.

Every facility of the county also was placed at the disposal of the president in assisting his program. The wire also pointed out that California's situation is acute due to transient unemployment.

**Elementary P. T. A. Will Meet Tuesday**

The Torrance Elementary Parent Teachers Association will meet Tuesday, April 25, at the school building, when election of local officers and delegates to the state convention will be held. Mrs. Daniels of San Pedro will be the guest speaker. The meeting will be held in the upstairs rooms at the elementary school beginning at 2 o'clock.

**Frank Rabouse Sponsors New Night Ball Team**

Frank's Dry Cleaners of Harbor City have sponsored a night ball team which is now taking part in a series of Wilmington night league games as a practice season in preparation for the coming spring and summer. The Cleaners won their first game last Thursday night, April 13, when they defeated the San Pedro Madaks at the Wilmington high school field, Wilmington, by a score of 13 to 4. In the line-up for Frank's were Rabouse, third base; Shepard, pitcher; Santich, shortstop; Johnson, left field; Wieman, second base; Gearhart, second base after the fourth inning; Bolmer, center field; Eggers, first base; Turbett, right field; Archer, pitcher.

**Narbonne Loses To Banning In Final Tourney**

Banning made a clean sweep of the Weekly Class B and Class C meets held at Narbonne last Thursday, the last track meet of the Marine League season before the preliminary and finals.

**Fourth Inning Is Disastrous For Home Team**

Norwalk cracked 14 hits and 10 runs off Yelovich to win. Only one disastrous inning, but it was enough, says Manager Ray Townsend who took his Torrance Merchants to Norwalk last Sunday to try out the first semi-pro team in that city. The blow-off came in the fourth when Lonnie Johnson Yelovich, who had been sent in to relieve Davidson and kept him out of a hole, got into a bigger and better excavation on his own account and sank out of sight under a barrage of 14 hits and 10 runs.

**Marine League Varsity Finals Held Next Week**

While the Torrance Class A track men were taking a beating from Leuzinger last Thursday in the last inter-school meet of the Marine League season, the Class B Tartans were putting the shoe on the other foot. Torrance varsity scored 42 points in their meet to 47 for Leuzinger. The best score stood Torrance at Leuzinger 42.

**ATTENDING FOOT SCHOOL**

Sam Levy, local merchant, attended the Scholl Orthopedic Training School at Los Angeles, where instructions were given in scientific shoe fitting and corrective foot treatment.

The Los Angeles school is the second one conducted on the Pacific coast and the third in the entire United States, and Mr. Levy states that many advanced ideas in foot comfort were explained by eminent specialists in charge of the classes.

Mr. Levy has been successful in the past in relieving many local people of troublesome foot pains through the use of scientific appliances. The advanced ideas taught at the school this week will enable him to render still greater service. A complete stock of Scholl appliances are carried in stock at the Sam Levy store.

**Passes Ready For Grammar School Kids Says Murphy**

Passes for the grammar school boys and girls who wish to attend the night baseball games at the park when the Torrance Bluebirds begin play on Friday, will be available in a few days, says Manager Spud Murphy. All those who want passes must apply to Sergeant John Stroh at the city police station, who will take their names and addresses and turn the list over to Spud who will fill in the pass.

These passes are to be issued on "good behavior" terms. Each pass will bear the name of the holder, and so long as that youngster maintains a state of good conduct, not only at the playing field but in all other public places, the pass will be in force. But should there be a cause for complaint, the pass will be suspended for a period of two weeks or possibly longer if the case is flagrant.

The night league season will start May 2, and the Bluebirds' first game will be played on Friday night, May 5, with Anaheim as their opponent. All grades of school boys and girls up to and including the eighth grade, who want to see all the plays should apply at once to Sergeant Stroh.

**Clarkson Leads In Qualifying Round**

Several low qualifying scores have been turned in during the first week of play at the Western Avenue golf course sectional tournament. Among the leaders are:

JOHN FERGUSON

Narbonne made a clean sweep of the Weekly Class B and Class C meets held at Narbonne last Thursday, the last track meet of the Marine League season before the preliminary and finals. The Wilmington boys took the victory meet 34 to 27, Narbonne being somewhat handicapped by the absence of two of their most consistent point winners, Holman, in the shot put, and Biele Watanabe in the low hurdles, both of whom were out on account of illness.

**Noted Golfers Enter Western Ave. Meet**

More than 100 golfers have entered the Western Avenue sectional tournament, and will qualify for the Western Avenue public golf course April 25 to 29 inclusive.
