Woman's Club Opens New Year's Activity

A luncheon in Torrance Woman's clubhouse Wednesday marked the opening of the club year. A large and enthusiastic group of women attended and were delighted to have as their speaker, Mrs. Nettie Steinhilber, a club member formerly of Torrance, now living in Los Angeles.

Mrs. Steinhilber took as her subject, "The Silver Dollar," having known the characters in real life as depicted in the screen version. Mrs. Steinhilber took her listeners back to her girlhood days in Denver, Colorado, in the year 1875, when Mr. Taber, later governor of Colorado, grub-staked Mr. Richey, who uncovered a ten million dollar mine. This the two men divided, they squandered their money and became poor indeed.

Mrs. Julia Neelands, club president, presided at the meeting later in the afternoon and welcomed all members and friends. Mrs. Raymond Rogers gave a splendid report on home economics. Mrs. O. W. Hudson presented members of the Pastel Trio in three selections: "Gardens," "Poems," "Poetry" by Fack, and "Society" by Dault, H. V. Adams of the Security First National Bank of Los Angeles, was the speaker. His subject, "If Everyone Had a Million Dollars," was most interesting. Mr. Adams built his talk on fifth as the supreme need of us all and the golden key that unlocks the door of opportunity. The Novel Duo (violin and cello) played two measures from Don Juan. Miss Helen-Jean Sawyer of Pasadena gave a splendid exhibition of ballet dancing.

The club will sponsor a fashion show at the clubhouse Wednesday evening, October 18. They will show an exclusive line of fall styles from the Levy store. Elaborate plans are being made and no effort will be overlooked in making this the outstanding event of the club year.
