GRURCHES OF CIRIIST, SCIENTIST Paul's words to the Bphosians, "The fruit of the Spirit is in all goodness and righteounness and truth," are the Golden Text in the Lesson-Sermon on "Spirit" on Sunday in all Christian Science churches, branches of The Mother Churth, The First Church of Christ, Scientist, in Boston, Mass. One of the Bible selections in the Lesson-Sermon Includes these verses from the Psalms: "O Lord, thou hast searched me, and known me. ... Whither shall I go from thy spirit? or whither shall I flee from thy presence? ... if I take the wings of the morning, and dwell in the uttermost parts of the sea; even thore shall the hand lead me, and thy right ahout me. Yea, the darkness hideth not from the; but the night shineth as hile darkness shall cover me; even the night shall be light about me. Yea, the darkness hideth not from the; but the night shineth as the dark the night shineth as the dark the night choce." A passage from the Christian Science textboke, "St these stru-tures," the darkness infieth as the dark into an Spirit as follows: "Drine substance: Mind; divine Principie, all that is good; God; hat only which is perfect, ever-lasting, omaipresent, omnipotent, infinita." McMurren, of the Los Angeles McMurren, of the Los Angeles Itake, officiated In addition to the change in the bishopric, several promotions were made. William Gibson, who has been second councilior to Bishopr Johnson, was made first coun-cilior, and V. M. Harris was pro-moted out of the Sunday school to the office of second councillor. Several other changes are to be made on account of vacancies. Bishopr Johnson has served in Torrance for the past five-years. The new bishop, Mr. Jordan, is a served in foreign mission and in several capacities of local work. Mr. Jordan had been superinten-dent of the Sunday school at Wil-mington up to the time he moved to Torrance some time ago where he was put in charge of the Young Men's and Young Women's Mutual Society.
