

Come to Church

EASTER

The First Easter

"And the angel said unto the women, Fear not ye; For I know that ye seek Jesus, which was crucified. He is not here; for He is risen, as He said, Come See the place where the Lord lay."

"Does the resurrection make any difference in our lives? This is a very thoughtful question. It means that there is meaning to life or that life is a meaningless jargon. To think of life as having no meaning would be terrible. To believe that when the curtain falls on our lives that

means the end—to imagine that death ends the chapter and then annihilation—would be depressing. Any reasonable person must believe that the hope of immortality does make a difference to us."—George G. Elder, pastor Torrance Christian church.

CHRISTIAN SCIENCE CHURCHES

"Reality" is the subject of the Lesson-Sermon on Sunday in all Churches of Christ, Scientist, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass. The Golden Text is from the Lamentations of Jeremiah: "Thou, O Lord, remainest for ever; thy throne from generation to generation."

Among the Bible selections in the Lesson-Sermon are these verses from the Psalms: "The works of the Lord are great, sought out of all them that have pleasure therein. His work is honourable and glorious; and his righteousness endureth for ever; thy righteousness, O Lord, is as the sun, and thy judgments are as the stars in the firmament. Thy righteousness is as the sun, and thy judgments are as the stars in the firmament. Thy righteousness is as the sun, and thy judgments are as the stars in the firmament. Thy righteousness is as the sun, and thy judgments are as the stars in the firmament."

Correlating passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy state: "To grasp the reality and order of being in its Science, you must begin by recognizing God as the divine Principle of all that really is. . . . All substance, intelligence, wisdom, being, immortality, cause, and effect belong to God."
