PRIZE AT COOKING SCHOOL

MISS DOROTHY DIX, featured in Education Pictures, with new model Apex Electric Vacuum Cleaner. One of these cleaners, valued at \$49.50, together with a Frigidaire, valued at \$124.50, and a \$79.50 Gaffers and Sattler Gas Range will be given away at the Torrance Herald-Safety Stores and Piggly Wiggly Cooking School, Wednesday, Thursday and Friday, April 25, 26 and 27, to be held at the Torrance Theatre. In addition to these major prizes, one of which will be given away each day, there will be 12 big baskets of groceries, valued at \$2 each, and other valuable prizes given away each day.

Local Woman Wins Award In Recipe Contest

Miss Louise Lansing Gets National Recognition In Magazine

Miss Louise Lansing, Route 1, Box 289A, Torrance, California, has just been awarded a Certificate of Recipe Endorsement by Better Homes & Gardens for her recipe, "Japanese Cabbage Delight."

This certificate, which brings national recognition to Miss Lansing, is given by Better Homes & Gardens only for distinguished recipes which pass its kitchen's tests for dependability, excellence of taste, and family usefulness.

In addition to the signed certificate, Miss Lansing also received six copies of her endorsed recipe, each bearing the Better Homes & Gardens stamp of recipe endorsement, which she can give to her friends.

Miss Lansing's endorsed recipe follows:

- Japanese Cabbage Delight**
- 1 small head of cabbage
 - 1 pound of pork loin or shoulder
 - 1 tablespoonful of butter
 - 1/2 teaspoonful of salt
 - 1/2 teaspoonful of sugar
 - 1/4 cupful of boiling water.
 - 1/4 cupful of sliced celery
 - 2 small green onions.

Wash cabbage thoroughly, chop and cook in cold water. Meanwhile cut the pork into small pieces. Melt the butter in a pan, add the pork and fry until brown. Add 1/4 cupful of boiling water and let simmer 20 minutes. When the juice is almost gone, add the drained cabbage, stirring frequently. When cabbage is cooked soft, add the salt, sugar and celery. Then lastly, add the chopped green onions and stir, cooking just a few seconds. Serve hot with tomato sauce or ketchup. Serves four.

-at Narbonne High School

The annual Los Angeles high school radio spelling bee is in action again, over station KFAC. On Wednesday night, April 18, at 8:45 o'clock, the Narbonne team will compete against Jordan high. As a result of the elimination try-outs, four boys will represent the Gauchos. They are Walter Hoffman, A12; Alfred Thorsen, A11; Zeddie Masters, B12; and Dick Craig, B11. Two are still to be chosen as alternates.

Last year Narbonne met Torrance in the spelling bee, with the two schools tying with 15 errors apiece. Richard Engle of Narbonne made no errors and took part in the finals.

Fast and furious was the final game of the spelling bee tournament between the A12 and A10 girls at Narbonne, which ended with the score 10 to 8 in favor of the tenth graders.

The teams were evenly matched. Good catching and hard kicking were qualities possessed by both sides. The goal guards of both teams, Helen Bartlett and Evelyn Thorsen, stopped many a kick from crossing the goal line, which only helped to make the game more exciting.

The half ended 6 to 6 and there was no additional score during the third quarter. Each team was doing its best to keep the other one from scoring. Lyndall Phillips made the final touchdown of the game, which put the A10's ahead.

Members of the winning sophomore team were Vada Courtney, captain; Michiko Nishikawa, Akiko Kato, Dorothy Hailey, Jean Lyndall Phillips, Vera Courtney, Isaka Wada, Helen Patrick, Veretta Gibson, Janet Mosher, Gertrude Sevier, Kathleen Brett, Marcia Mayer and Evelyn Thorsen.

A double-feature comedy film program, sponsored by the Science Club, drew a record crowd of Gauchos at the Narbonne auditorium, Wednesday, April 11. About 600 students attended the talkies and nearly \$15 was taken in.

The Narbonne Science Club, under the leadership of Mr. Lee Burns, held the Annual Exhibit Day at the California Institute of Technology, Saturday, April 14. Mr. Stump, science teacher, acted as guide. Those who attended were Nondus Stump, Bernice Rozelle, Lois Maddy, Thora Damuth, Wilford Barnett, Sidney Cowan, George Taylor, Maynard Early, Joe Burkhardt and Mr. and Mrs. Stump.

In the morning they saw the high voltage demonstration conducted in Cal Tech's million-volt laboratory. Artificial lightning flashes, 30 feet long and more, were made, besides other electrical experiments. In the afternoon they heard lectures on vitamins, high frequency and conductivity in gases, and visited the chemistry and biological laboratories.

The Narbonne Science Club, having nearly \$20 in the treasury, decided at a meeting held Monday, April 15, to buy a sun-dial which they will donate to the school. They will mount it themselves in the courtyard.

Several members who had attended the Annual Exhibit Day at Cal Tech, told the other club members of the various experiments they had seen. Some peculiar instruments demonstrating physical phenomena were demonstrated by Mr. Stump.

TROOP 4 LEE BURNS, Reporter

At the inter-troop rally which was held in the grammar school auditorium, Friday, April 13, Troop 4 won first place in all competitions. Inspection for troop was won by Billy Stewart. Ellis P. Moore, Jr. was present and talked to the boys on camping.

Court of honor and board of reviews will be held on April 24 at Scout hall.

At last meeting, inspection was given to Harry York.

Merit badges were presented to Weston Leech, Bob Cramer and Lee Burns.

TROOP 3
HOWARD WEBER, Reporter

Troop 3 met at the Scout hall and marched down to the grammar school auditorium to attend the inter-troop rally. The rally was run by W. T. (Pop) Jones, and won by Troop 4. This was because Troop 3's representatives went to a dance. This is the first time this has happened for two years.

Mr. Moore, camp director for Camp Arthur Letts, spoke on summer camping. The troop decided to put on a show at the close of school and the money received will go to help boys who could not go to camp otherwise.

World Flier Visits Goodrich Plant

Willy Post, famous round-the-world flier and authority on aviation matters, is now visiting the Pacific Coast. Post, who holds the globe circling record and is the only flier to circumnavigate the world twice, is renewing old acquaintances. He is seen above at the Los Angeles factory of The B. F. Goodrich Rubber Company receiving the congratulations of J. E. Wackenschlag, Los Angeles district manager for Goodrich. All of Post's planes, including the famous "Winnie Mae" have been equipped with Goodrich tires.

Our Cars will make their own Weather.
