HADN'T MISSED IN 60 YEARS ROCKLAND, Me. (U.P.)—George E. Torry, who died at 82, never missed a church service in more than 60 years, a total of 3000 consecutive Sundays.

In this, her first musical production, playing at the Hermosa Theatre this Friday and Saturday, Richard Arlen, Ida Lupino, Roscoe Karns, Grace Bradley, Monte Blue, Fuzzy Knight and Toby Wing compose the leading players in "Come On Marines!"

Lowered in rank and sent back to the tropical jungles after an evening ashore that ends in trouble, Richard Arlen goes back to fighting bandits with a vengeance.

When word comes that a group of children, shipwrecked on the jungle coast are in danger of a native uprising. But the "children" turn out to be grown-up young beauties, and the tough boys who were sour on bandits turn out to be sweet on blondes.

Grand Opening of 'Wonder Bar' At Plaza Friday

Tomorrow night's the night of the grand opening of the first National mammoth musical and dramatic spectacle, "Wonder Bar," to be shown in Hawthorne at the Plaza Theatre.

The picture is based on the internationally famous play that was the sensation of Europe a few years ago when it played before king and commoner in Continental capitals. Again it was a sensation on the American stage with Al Jolson in the stellar role.

Al Jolson in the film version, plays the same role as an entertainer de luxe. Other members of the stellar array include Kay Francis, Dolores Del Rio, Ricardo Cortez, Dick Powell and Hal LeRoy.

The supporting cast is quite imposing including such notable players of stage and screen as Guy Kibbee, Ruth Donnelly, Hugh Herbert, Louise Fazenda, Pitt O'Sway, Merma Kennedy, Henry O'Neill, Robert Barrat and Henry Kolker.

In addition there are 300 beautiful chorus girls picked from 9000 applicants who dance and sing clad in diaphanous gowns for the gigantic spectacles created and staged by Busby Berkeley, the wizard of musical ensembles. Berkeley, who also staged the numbers for "42nd Street," "Foot-Light Parade," and "Gold Diggers of 1933," is said to have surpassed even the gigantic spectacles in these pictures by the uniqueness, beauty and magnificence of his new conceptions.

Payment to Oil Company Nullified

The agreement that at one time existed between the Standard Oil Company and the county regarding payment to the company for changing its facilities in connection with the improvement of Palos Verdes drive was nullified this week by the board of supervisors.

Upon the recommendation of George Jones, county road commissioner, the board of supervisors cancelled the \$2480 it had set up for that purpose, and ordered it returned to the general fund. The work is not necessary at this time, Jones wrote the supervisors.
