**STORY 1**

Continued from Page 1

pace he sets than if he had merely strolled over the distance. The only time, says Louis, that he was ever "pooped" was last December when he ran the two-mile cross country at Westwood and finished a half a mile ahead of the field of 50 runners who trailed him to the tape. Louis' time in this event was 9:57.3, the best time made in the three divisions run off at this meet, and a new record for the course. Here is his record for 1933:

**One Mile Run**  
February 24—Interclass meet; time 5:03.  
March 1—Practice meet with Loyola; time 4:58.  
March 10—El Segundo, Marine League; time 4:45.  
March 24—South Gate; time 4:50.6.  
March 31—Narbonne - Gardena; time 4:58.  
April 7—Bell; time 4:46.  
April 14—Leuzinger; time 4:48.  
April 25—Marine League Class A semi-finals; time 4:47.  
April 28—Marine League finals; time 4:42.6.

**1320-yard Run**  
April 18—Marine League Class B semi-finals; time 3:30.  
April 21—Marine League Class A finals; time 3:27.7.  
May 6—Southern California C. I. F. preliminary; time 3:23.6.  
May 13—Southern California C. I. F. finals; time 3:17.7 (new record).

**Two-mile Run**  
October 28—Compton Junior College cross-country run; time 10:25.7.  
December 16—C. I. F. and A. A. U. cross-country run, Westwood; time, 9:57.2.

This season Louis slipped 16 seconds off his best time for last year, and is expected to set a new mark for high school runners either in the Southern Cal events or the state meet at Berkeley in June, unless his right leg, which is now giving him some trouble does not improve. Louis turned his ankle about a month ago and tore loose a couple of small ligaments which will take time to heal, especially as he is unable to give the leg the complete rest it should have.

His record for this spring includes the following:

**880-yard Run**  
February 25—Practice meet; time 2:03.9.  
March 9—First W. M. League meet; time 2:02.9.  
**One Mile**  
March 23—Second W. M. League meet; time 4:38.3 (new record).  
April 6—Third W. M. League meet; time 4:28.8 (new record).  
April 13—Fourth W. M. League meet; time 5:03.  
April 24—W. M. League finals; time 4:42.2.

In addition to these Louis ran unattached in the Compton J. C. U. S. C. Freshmen meet at the Coliseum at Los Angeles in March, finishing in a dead heat with his brother, Pete Zamperini, in 4:31.6. He also ran the anchor lap with Wertz, Acree and Luck in the Long Beach relays on March 3 which team captured the medal with a new record mark of 3:30.2, and in the Los Angeles city high schools relays on March 17 which team took first in the four-man 880 in 8:34.6.

**School Orchestras To Play On Dinner Program Fri.**

Members of the Torrance Elementary school orchestra have gained for themselves and their director, Mrs. Lyle Louise Husted, an enviable reputation among the schools of the district. Mrs. Husted, who has directed school orchestras for the past ten years, is herself an accomplished musician. The orchestra with their director will appear in a group of two numbers on the school week dinner program at Torrance Woman's Club clubhouse, Friday evening, April 27. They will play "Activity March" by Bennett and "By the Brook" by G. J. G. Lamater. Members of the school orchestra include: First violinists—Emelia Carr, Robert Worcester, John Jensen, Billy Jolley, Betty Mae Weaver, David Jacobs, Maurice Edens, Gertrude Unger, Ernest Banks, Leland Bender and Roland Justice. Second violinists—Bobby Fordice, Marvin Lee and Arlys Fogsum. Cornet—Fred Lincoln. Cello—Eliemore Edens. Flute—Frank Whitting. Piano—George Ppher and Charles Stanley. Drums—Francis Deltion and Tom Coffin. Bells—Harold Kerber and Joan Ramskill. Guest players, former members of the school orchestra, include Pauline Austin, Gertrude Mowry, George Reeve and John Schwartz.

Fern avenue school will present their orchestra, which has been organized only a short time, and Torrance high school Madrigals, who have pleased groups wherever they have appeared, and radio audiences as well, will sing a group of favorite requests. They will be directed by Mrs. Margery Eischen.

Dinner will be served by pupils of the Torrance high school promptly at 6:30 o'clock. Reservations may be made by calling Mrs. J. O. Bishop, Elementary Parent Teachers Association president, phone 387-W.

**BABY WEEK TO BE OBSERVED**  
Torrance babies have already been examined and scored for participation in the Nineteenth Annual Baby Week celebration under the auspices of the Mothers' Educational Association.

On April 23, the first day for baby week, the highest score girl will be acclaimed Miss Los Angeles, and the highest score boy, Mr. California. This part of the program, which includes a baby parade, will be held in the bandstand at Exposition Park, Los Angeles, at 2 p. m.

The parade is open to all babies, excepting those in professional careers. Judges will award ribbons to the best single entry, the most beautiful entry vehicle and baby and the most unique motif. Babies will also receive awards. Programs featuring parental education will be conducted throughout the week, from April 28 to May 5.

Mrs. Charles Schultz, chairman of Mothers' Educational Center of Torrance Woman's Club, stated that official announcement of Torrance children who will receive ribbons will be made at the regular meeting, Friday, April 27. To date she is not in receipt of the names, which will be sent her by Dr. Maude Wilde, founder of the Mothers' Educational Center Association.

**A. O. U. W. MEETING IS POSTPONED**  
On account of the inter-club relations dinner to be given by the National Business and Professional Women of Torrance on Thursday evening, April 26, the A. O. U. W. lodge, which would meet regularly on that date, has postponed its meeting until the regular date next month, May 24. A number of the members of the A. O. U. W. will attend the dinner, lead by the master of the lodge, T. J. Wilkes.

**HOSPITAL AUXILIARY TO HOLD CARD PARTY**  
May 10 has been reserved by Torrance Hospital Auxiliary for their annual card party. Mrs. Lon Ralston, president of the auxiliary, will be in charge of the affair which will be held in the Torrance Woman's Club clubhouse, 1422 Engracia avenue.

Prizes will be awarded for contract bridge, auction bridge, 500 and pinocle. Further particulars will appear in a later edition of this paper.

**ELEMENTARY P. T. A. MEET**  
Elementary school Parent Teachers Association met today, April 24, at 2 o'clock in the school auditorium. A report of the nominating committee and election of officers for the year was the main order of business. Mrs. J. O. Bishop, president of the organization, is the only nominee for the office of president at this time.

Delegates to the San Pedro-Lomita Council meeting and to the Tenth District meeting were elected. A program will be given by pupils of the school.

A meeting of the elementary school Parent Teachers executive board was held in the school office at 1 p. m.

**EPISCOPAL GUILD PARTY**  
Eighteen tables were in play at the card party given by members of St. Andrew's Episcopal church guild in the J. W. Post home, 1503 Post avenue, Wednesday evening.

Prizes for high scores in contract bridge were awarded to Mrs. G. P. Shidler and Dr. R. F. Bishop. Auction bridge prizes were awarded to Mrs. Clara Baxter and John McMillen. Prizes for high scores in pinocle were awarded to Mrs. J. F. Dalton and LeGrande Barkdull.

**WORLD FRIENDSHIP CLUB BANQUET**

The Annual World Friendship Club banquet, Friday evening, was doubtless the most successful and largely attended student function Torrance high school has witnessed during the past school year.

When the honoree, Mrs. Grace Granger, club sponsor, entered the beautifully decorated dining room, the assembled 75 guests sang out "Happy Birthday" to her. She was then delivered a huge birthday card bearing original verses and designing of club members. The postmistress was dainty little Myna Lou Fossum.

Toastmistress and mistress of ceremonies was Alice Burger, president of the club, who announced the theme of the banquet to be "Smiles." The toasts were given by Dorothy Jensen, "Smiling Thrill," by Milton Everett, "Smile Awhile," by Helen Smith, "My Mother's Smile," by Ruth Granger, and "The Jones' Smile," by Esther Terry. Miss Terry also joined with Leonard Locke and Hal Smith in her own trio arrangement of "A Little Dutch Mill" and two other popular numbers. A piano solo by Joy Fossum and a reading by Mr. Hopkins completed the program.

Among the guests were Mr. and Mrs. Carl Hyde, Mrs. O. E. Fossum, Mr. and Mrs. John Young, three past graduate club presidents, Eldon Zanon, George Kubo

**GUESTS IN ROSEMEAD**

Mr. and Mrs. W. J. Hogue of the Villa Sadora Apartments, with Mrs. Hogue's mother, Mrs. E. D. Anderson, of Chicago, were dinner guests Saturday evening at the home of Mr. and Mrs. John Brummel of Rosemead.

**Follow the Fashion Parade to the NEW GAS RANGES**

You will want one of the new gas ranges, and there is every reason why you should have one. They are beautiful, and beauty in the kitchen is important. Automatic clock control and oven heat regulation make them the last word in time-saving convenience. Oven insulation keeps the kitchen cooler and saves fuel.

With all these advantages, natural gas assures the utmost economy. Cooking costs as little as a fifth of a cent a person a meal.

Look for the Blue Star Seal of the American Gas Assn. Testing Laboratory.
