Dog Poisoner Spreads Terror Through Lomita

Lomita owners of pets are keeping their doors and cats closely confined to the premises since the outbreak of an epidemic of poisoning which claimed the lives of eight dogs within two days in that city. Officers who have been investigating the case, have uncovered the purchase of strichnine in Torrance by a suspect within a recent period, but no evidence to connect the sales to the wholesale slaughter of pets.

at Narbonne High School

The American Chemical Society is sponsoring an annual chemistry contest in which all Southern California high schools are invited to participate. This year Narbonne will enter a team of three. The students are being chosen by Mr. Stump by means of elimination tests, the three with the highest averages to constitute the team.

REVOLUTIONARY IDEA PRODUCES NEW FUEL

Three men who know cars and the stuff it takes to make 'em go and keep 'em going are here seen registering a new idea in the motor world. The new fuel is a mixture of kerosene, turpentine, and alcohol. The run was one of the tests which resulted in production of General Motors' new fuel, which is being marketed by the company. General Motors' new fuel is being marketed by the company. General Motors' new fuel is being marketed by the company.

Memorial Poppies Sold In May Furnish Employment to Veterans

Memorial poppies which the women of the American Legion Auxiliary will distribute here on "Poppy Day," May 26, have been a means of providing employment to hundreds of disabled World War veterans through the winter and spring months, according to Mrs. N. F. Gallucci, rehabilitation chairman of the local auxiliary unit. The little red flowers have made possible earnings of approximately \$100,000 for these disabled men, she stated.

State Picnics
