CHURCHES OF CHRIST, SCIENTIST
 Communion Services will be conducted on Sunday in all branches of the Mother Church, The First Church of Christ, Scientist, in Boston, Mass. The subject of the Lesson-Sermon is "Sacrament." Christ Jesus' words, "The bread of God is he which cometh down from heaven, and giveth life unto the world," constitute the Golden Text.
 These verses from Revelation are included in the Lesson-Sermon: "He that hath an ear, let him hear what the Spirit saith unto the churches. . . Behold, I stand at the door, and knock: if any man hear my voice, and open the door, I will come in to him, and will sup with him, and he with me. To him that overcometh will I grant to sit with me in my throne, even as I also overcome, and am set down with my Father in his throne. . . I am the root and the offspring of David, and the bright morning star."
 One of the passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, states: "Jesus established his church and maintained his mission on a spiritual foundation of Christ-healing. He taught his followers that his religion had a divine Principle, which would cast out error and heal both the sick and the sinning."
