WORRELL, THE HARDWARE MAN IS BACK ON THE JOB

Well, folks, I'm back home after one of the best vacations in my life. The great political situation of the East among the thinking people is strictly against the New Deal. The old saloon is back in its full glory - worse than it ever was in the old days. Although Mr. Franklin told us it wouldn't be so. He gave his word of honor to that effect. But that's got nothing to do with what I want to talk about. Sherwin-Williams Paint Covers the Earth - and when better paint is made Sherwin-Williams will make it. I am now stocking up heavier than ever and will be able to take care of your wants better than any time previous - Adv.
