TARTARS OUTPLAY JORDAN IN HOT PRE-SEASON GAME

Colored Boys Lead 12-0 at the End of Half; Torrance Crashes Through For Two Touchdowns and Adzavich Kicks Goal; Gardena Here Tomorrow

Launching the best offensive attack that has been seen here in years, the Torrance Tartars nosed out a surprised Jordan eleven last Friday 13-12, after the dusky lads from Watts had Torrance down 12 to 0 at the end of the first half.

"Somebody's been feeding them Tartars meat," was the doleful comment from Watts when the final quarter ended and a battered lunch sought the showers. For the first time in history the Tartars succeeded in coming from behind to score a victory, and for the first time in many a long weary day the Tartars hung in to the Jordan men, who have always had their lighter opponents' number.

Jordan's scores came in the second quarter on an intercepted pass and an off-tackle play. Daniels, speedy track man, counted both of the Jordan touchdowns but their goal kicker was unable to put the ball through the posts for the necessary extra points.

The Jordan outfit came to Torrance all primed for an easy workout. Instead they found a line that they couldn't push over, and a system of play that had them guessing.

Adzavich bucked his way through the Jordan line for a sustained drive of 60 yards for the Tartars' first touchdown, and the second score came on a lateral pass from Watson to Gar Johnson. Adzavich kicked goal for the coveted point that put the Tartars out in front.

Torrance made consistent gains on their passing attack which caught the Jordanites flat-footed.

However, the Tartars uncovered very little during the entire game that might be of use to the Gardena and Narbonne scouts when the league season starts tomorrow. Gardena comes here for the first game of the Marine League season, and it is expected to be a tough one, with Torrance the favorite to win. The Tartars recently defeated Narbonne 23-0 while Gardena was able to put over only three touchdowns against the port city lads last week, winning 19-0. On comparison it looks as if Torrance had the stronger team, but Gardena may have been pulling its punches in order to cover up its real ability.

Starting lineup: Torrance (13) Jordan (12) Johnson L.E.R. Curry Hoffman L.T.R. Arranata Bond L.G.R. Green Grubbs C. Hill C. Smith R.G.L. Verra McGinnis R.T.L. Nash McFadden R.H.L. Hopkins Smith G. Witte Watson L.H.R. Smith Javens R.H.L. Daniels Adzavich F. Oropeza

Score by quarters: Torrance 0 0 13-12 Jordan 0 12 0 0-12 Touchdowns: Daniels; 2; Johnson, Adzavich.

Extra point—Adzavich. Narbonne, which will meet Torrance in the last game of the season on November 2, scored a technical victory over Los Angeles high school last Friday, when they held the uptown lads to a 6-0 score. The Gauchos played without Gould, Rider and one other of their first string men, all out on account of injuries.

Burbank Man Is Held In Jail Here

R. A. Hazlip, 210 South Ellinwood, Burbank, was arrested by Officer Percy Bennett of the Torrance force, Monday, and was arraigned the following day on a charge of drunk driving in the Torrance municipal court. His preliminary hearing will be held next Tuesday. He is being held in the city jail in default of bail. Bennett attempted to halt the Hazlip car in WALTERIA but was forced to chase it to Los Angeles before the driver could be stopped.

Entertainment By Playground Staff

The SERRA playground instructors of Torrance will present an entertainment Friday evening, October 5, at the Recreation Center building, 1318 Cabrillo avenue, starting at 8 o'clock. Community singing under the leadership of J. McMaisters will open the program. A playlet, "The Toy Shop" under the direction of Mrs. Gertrude Boyle, will be followed by a play, "Our Aunt From California." The public is cordially invited. Admission free.

Municipal Judge To Be Heard At Central Church

Judge Ida Mae Adams Will Discuss Problems of Youth

Judge Ida Mae Adams of the Los Angeles municipal court will speak at Central Evangelical church Sunday evening, October 7, upon the theme, "Youth and Some of Its Problems." This will afford the many friends of this fearless judge an opportunity to hear her discuss this vital subject. The general public is cordially invited to hear this fine address. Special musical numbers will also be given at this meeting. It is being sponsored by the Men's Brotherhood of Central church.

JUDGE IDA MAE ADAMS

Former Pastor Married Friday

Rev. E. L. Weatherwax Comes To Torrance For Important Ceremony

A large number of relatives and friends gathered in Central Evangelical church on Friday, September 28, at 6 o'clock to witness the marriage of Miss Adda Spreng of Monrovia, and Rev. Edwin L. Weatherwax, pastor of the Emmanuel Evangelical church, 19th and Capp streets, San Francisco.

The church was beautifully decorated for the occasion and the soft radiance of candle lights added materially to the beauty of the scene. The guests were ushered to their places by Elizabeth and Mildred Neelands. The impressive ring ceremony of the church was read by Rev. O. D. Wonder.

After receiving the congratulations of their friends the guests were invited to the manse where lovely refreshments were served. Mrs. Fred Hanson and Mrs. W. J. Neelands assisting in the serving. A quartet composed of Messrs. Chas. Curtis, W. J. Neelands, C. Bell and Robert Lessing sang several splendid numbers and a very beautiful solo was sung by Miss Katherine Van Hellen of Monrovia, a niece of the bride. The newly wedded couple will spend their honeymoon visiting friends and relatives in Ohio after which they will return to San Francisco.

Rev. Weatherwax is remembered by many townspeople and members of the congregation of Central Evangelical church, since he served as pastor here for two years, 1919 and 1920.

Declared Name Offensive SEATTLE (U.P.)—His name has been offensive to him since childhood, Everett Hall Greene, self-styled artist and painter, told superior court in a petition to change it to Peter Jordan Savage. He had gone by the name Savage since the death of his father ten years ago, he said.

Campaign Issues to the Fore At Meeting Friday

Torrance Democratic Club Arranges Session At Prairie Ave. School

A political meeting open to the general public will be held tomorrow evening, October 5, 1934, at the Prairie avenue school in the MacDonald Tract at 8 o'clock. Admission is free and the meeting is being arranged by the Torrance Democratic Club for the purpose of acquainting Torrance voters residing in this district with the issues to be determined at the November general election.

President Ryan has announced that prominent speakers will be present to discuss the candidacy of Upton Sinclair for governor and keen interest is anticipated in the MacDonald Tract. A second meeting to be held in WALTERIA will be announced shortly.

The Torrance Democratic Club is now meeting each Tuesday evening at its headquarters, 1312 Sartori avenue, and all registered Democrats as well as progressive Republicans are invited to attend the meetings. A great deal of activity is now being centered in organization work for the general election.

Police Thwart Youthful Plans

Girls Reported Missing Located at Redondo Beach Friday

Acting on a tip from a neighbor who saw a party of young people drive away Friday afternoon, Police Officer Ernest Ashton of the Torrance department located two young girls of this city in an apartment at Redondo Beach and returned them to their homes. The girls, 13 and 14 years of age, are said to have been planning to leave for the east, and probably to mislead possible pursuit, had gone to the beach city in company with two boys, slightly older, one of whom supplied the car in which the four made the trip to Redondo and it is said rented the apartment in which the girls had taken up their abode.

The girls had been reported as missing from their respective homes here, and on the return of the lad with the car who brought the machine back to his address about 5:30 o'clock, he was taken by his father to the police station and in company with Officer Ashton went to Redondo where he pointed out the apartment house where the girls were staying. All three were taken to the station for questioning, but the second boy, said to be a resident of Lomita, had not been picked up last Tuesday, although local officers were planning to bring him to the station also to give an explanation of his part in the escapade.

It is said that the affair had been planned for several days prior to Friday. Since the proposed trip had been nipped so promptly, and all parties concerned have been returned to their homes, no report had been made Tuesday to the juvenile department but the matter is being held open dependent on the future good behavior of the young people.

Twin Boys Born Yesterday Bring Quota to Seven

Twin boys, born to Mr. and Mrs. O. L. Johnson, 3615 Newton street, WALTERIA, at the Jared Sidney Torrance Memorial hospital Wednesday, October 3, brought the number of children in their family up to seven, all boys. The eldest of the twins, who weighed eight pounds two and a half ounces, arrived at 1:55 p. m., his brother, weight seven pounds four ounces, following him ten minutes later at 2:05 p. m. Both babies are doing fine and their mother is also getting along nicely. This is the first pair of twins born at the hospital in some time, and their arrival created a great stir of interest among the hospital staff.

NEW PREXY Pete Zampertini has been elected president of Compton Junior College student body.

Sleeping Sickness Takes Four TOLEDO, O. (U.P.)—Sleeping sickness has claimed its fourth fatality of the year in Toledo with the death of Mrs. Dorothy Westfall, 23, in County Hospital.

Green Opens Labor Convention

William Green, president of the American Federation of Labor, addresses labor leaders at the opening of the Federation's 1934 convention in San Francisco.

New Home Construction to Be Actively Promoted This Winter

At the meeting of the board of directors of the Torrance Chamber of Commerce, held last Monday, October 1, further steps were planned in behalf of the federal Better Housing Program. This home modernization movement under the Federal Housing Administration will gather momentum over the next few months. Results thus far have been modest but enough to encourage officials to push the campaign hard.

New home construction will be aggressively promoted next winter and spring. The aim will be to make people yearn for the latest thing in better homes. Already a number of new residents have been attracted to Torrance because of the new industry being erected in the Shoestring Strip adjoining Torrance, and with the direct opportunity to attract a large number of additional residents from the hundreds who will be employed at that plant, the chamber directorate strongly urges a sustained program of better and additional housing.

Arrangements also are being made for the next quarterly meeting of the chamber members, to be held on the evening of October 16. A speaker officially identified with prominent industrial interests will be the feature of this member meeting, therefore a generous attendance will be anticipated.

Civic, commercial and industrial representation was widely extended by an increase in the number of members of the Chamber of Commerce, it now being 140. At its meeting last Monday the applications of 13 new members were approved, they being: Rev. George Elder, pastor of First Christian church; G. M. Calder, police chief; Tolson Transportation Company; W. F. Taylor, superintendent, Standard Oil Company; Henry Grubb, retail meats; Soule Steel Company, with A. Aaland as its representative; N. E. Dawson, vice president of the Soule organization; W. H. Stanger, councilman; Willis Brooke, office manager, Pacific Electric Shops; Beacon Drug Company; Insulation Products Company; H. G. Babecek, plumber, and L. J. Acree, flooring contractor.

Ford Dealers Install Score Board For the World Series

Schultz & Peckham, Ford dealers, have installed a score board in their office, 1514 Cabrillo avenue, where full reports of the world series baseball games now in progress are being kept. L. B. (Slip) Kelsey is the official scorekeeper and chalks up the plays each inning.

Seats are provided for the fans who wish to listen to the broadcasts and watch the scoreboard. Interest in the world series, Detroit of the American League opposing St. Louis, of the National, which made such a sensational finish to nose out the New York Giants for the honor, is at a high pitch. Betting favors the Cardinals to win the series, on the last few weeks of the season and the ability of their pitchers, Dizzy and Daffy Dean, who won the majority of games for the St. Louis team this year. At the close of the season Dizzy had 30 wins to his credit, his brother Paul, 18. The St. Louis Cardinals, one of the original teams in the National League at its formation in 1876, won its first pennant in 1926, and its fifth this year. The Cards have won two world's championships and lost two. The close of this series may see them in possession of the title once more.

Frankie Friesch, manager, has been in seven world's series, more than any other National League player can boast. He has played in 43 world series games (prior to the opening of the present series) and is in his second season as manager of the Cardinals to which club he was traded by the Giants in 1927. He plays second base. Detroit, American League champs, is also led by a playing manager, Mickey Cochrane. The Tigers won their first pennant in 1907, repeated in 1908 and 1909 and then faded. They pin their hopes on Schoolboy Rowe, the El Dorado, Arkansas, boy who is largely responsible for Detroit's pennant this year. Rowe tied the American League pitching record with 16 straight wins, and is looked upon as the greatest baseball athlete to hit Detroit in a quarter of a century.

Famous Stars of Wrestling Game Here October 12

Parent Teachers Sponsor Thrilling Athletic Tournament For Charity

Friday night, October 12, (by error last week announced as October 5) the Torrance Elementary Parent Teachers Association will sponsor a big wrestling show at the municipal baseball park, where 24 bouts of high class caliber will be staged.

The affair is given in behalf of the relief fund of the association, and the admission fee has been placed at the low price of 25 cents for adults, 10 cents for school children.

The show will start at 7:30. The list of contestants contains the names of some of the most famous wrestlers in this part of the country. Some of them will be members of the next United States Olympic wrestling team. All are well known and may be seen at the wrestling shows in the Los Angeles area. The program will satisfy the demands of the fans for action and please those who enjoy a smooth, swift, skilled performance. List of bouts and contestants will appear in this paper next Thursday.

Long Illness Ended By Death

William F. Horton, Well-Known P. E. Employee, Passes Away

William Francis Horton, 3023 Gramercy avenue, who has been in failing health from a heart ailment for the past two and a half years, passed away at his home Wednesday, October 3. He was 69 years of age, born in Missouri, August 1, 1874.

Mr. Horton was a well-known employee of the Pacific Electric Railway, into whose service he entered in 1902. For the past ten years he has been employed and resided in Torrance. He is survived by his widow, Mrs. Emma Louise Horton, a sister, Mrs. Allen Wright, also of Torrance, preceded him in death several months ago.

Funeral services will be held from Stone & Myers chapel, Saturday, October 6, at 2 o'clock. Rev. George G. Elder, pastor of the First Christian church, will conduct the religious rites. Interment will be made at Inglewood Park cemetery.

Long Fight Over Keith Will End In Compromise

Bulk of Estate of Eccentric Spinster Goes to Oregon Nephew

After 18 months of legal battle, a compromise was reached Monday late Margaret A. Keith, of Palos Verdes Estates, who ended her life in Beverly Hills some time ago. Under the terms of the settlement a will drawn by Miss Keith on December 25, 1931, was approved and a later document rejected.

It was the later will which brought about the long drawn-out legal fight over the disposition of Miss Keith's estate, said to be valued at about \$462,500, the bulk of which was left to her nephew, Albert C. Allen, Jr., who resides in Oregon. By the settlement, Allen receives the larger portion of the estate. A sister, Mrs. Etta Keith Eskridge, and a half brother, David Keith, are awarded Miss Keith's property in Beverly Hills and 4000 shares of mining stock. Mary Allen Towle, a niece, is given 1000 shares of the same stock, valued at about \$12 a share.

A \$25,000 damage suit brought by Mrs. Towle against Allen and his father, charging false imprisonment, threats and intimidation as the result of a property battle several years ago will be withdrawn as one of the conditions of the settlement.

The first trial in the will contest lasted three months last spring and resulted in a disagreement of the jury. Miss Keith lived alone for several years prior to her death, in the Palos Verdes Estates, where her eccentric behavior in maintaining almost total isolation from the outside world excited curiosity.

YOUNG WOMAN FOUND ILL, DAZED FROM STARVATION

Withered Vegetables the Only Food Found In House Occupied By Two Women, Four Children In South Torrance; Neighbor Calls Police

Thelma Roberts, age 21, residing at 2645 237th street, South Torrance, was taken to the General hospital at Los Angeles, Sunday, September 30, when Torrance police were called to investigate her condition. A neighbor boy, playing about the house, had seen the girl lying on the floor and had informed his mother who notified the officers.

Miss Roberts, who is a sufferer from a periodic ailment, was found to be in a dazed condition from illness and actual starvation. She had been three days without food, the only eatables to be found in the house were a couple of carrots and a very small quantity of other withered vegetables. The girl, according to what information the officers were able to secure, had been alone in the house for some time. Miss Roberts' living had left to do some ironing at a home two blocks away, since the electric current at the 237th street address had been cut off. For the past four months Mrs. Zina Yates, her three children, a 10-year-old son of Mrs. Florence Yates who is now in Utah, and Miss Roberts have been existing on such scanty rations as could be obtained from relief associations. The husband of Mrs. Yates is said to have abandoned his family at that time, leaving the mother and four children, one of whom has since been placed with a family in Long Beach. The family came here from Utah four years ago. Mrs. Florence Yates, said to be legal guardian of Miss Roberts, returned to Utah several months ago, where it is said that the ward is interested in an estate from which she derives a small income. Mrs. Yates' trip to Utah is said to be concerned with the settlement of the estate, but since she has been absent those left behind have been hard-pressed to find means to live.

Physicians at the county hospital informed Police Sergeant Joffe Stroh on Tuesday that Miss Roberts was still in a dazed state and they had been unable to get any statement from her regarding her relatives or circumstances. The girl was taken to the county hospital in Stone & Myers ambulance late Sunday afternoon.

A nominal charge will be made for admission and reservations and information may be obtained by calling Wilmington 1514. Tickets may be had at 1532 East K street, Wilmington. This will be the last opportunity to hear Mr. Glendon, who extends a cordial invitation to local residents to attend the mass meeting Sunday.

Utopians to Start Campaign Sunday For Dated Money J. F. Glendon and Judge Ben Lindsey to Talk At Wilmington Bowl

A mass meeting of Utopians and their friends will be held Sunday afternoon, October 7, at 2:30 p. m. in the Wilmington Bowl, 909 Mahar avenue, Wilmington, in the interests of the Utopian national dated money campaign, according to S. D. Richerts, district supervisor of the Utopian Society. Speakers at the meeting will be Jonathan F. Glendon, former president of the Utopian Society of America, and Hon. Judge Ben Lindsey, juvenile court authority and candidate for the superior court, office No. 15.

Mr. Horton needs no introduction as all Utopians know him to be the champion of Utopian ideals. He is starting the campaign for dated money, as told in the fourth issue of the Utopian magazine, which will take him into all the key cities of the United States, states Mr. Richerts, who extends a cordial invitation to local residents to attend the mass meeting Sunday.

Revolver Assn. Meets Tonight At City Hall All Persons Interested In Joining May Attend This Session

Final details and plans for the regular revolver practice to be held at the range on the Columbia Steel grounds, will be discussed at a meeting of the Revolver and Rifle Association of Torrance to be held at the city hall at 7 o'clock tonight. All members are requested to attend. Passes admitting them to the range will be given out, without which no one will be admitted to the steel company's property.

All technical details regarding the use of the range by civilians have been cleared up on receipt of legal advice from counsel for the steel company to the management of the plant. Members of the association will be required to give waivers, holding the Columbia Steel Company free of responsibility for accident arising from the use of firearms. This arrangement is considered fair to the company, since it is not bound to allow the use of its property for shooting practice, and is doing so as an accommodation to the police department and civilians who make up the teams.

Any man or woman in this city who is interested in becoming proficient with small arms is invited to attend this meeting where they will have an opportunity to sign up as a member. Already there are six teams for men and one woman's team in process of organization.

Cost of practice is cut to a minimum by the use of reloads at about one-third the price for new shells. Only revolvers of .22, .32 or .38 caliber, having barrel not less than five and one-half nor more than six and one-half inches are to be used for practice. Competitive shoots on Saturday afternoon and Sunday morning will require the use of .38 caliber weapon. Later there may be organized some teams in rifle shooting, but at present the teams will concentrate on revolver practice.

Christian Church Plans New Unit

Erection of a large three-room unit as an addition to the Christian church quarters will be started at once, officials announce this week. The new, modern building will conform to the architectural type of the church and will be of a capacity to take care of the increasing needs. Classes are now overcrowded, and new classes must find room. This accommodation will be afforded by the new addition.

One large room, 22x36, will house the Torrance Men's Bible Class, now meeting in the Torrance Theatre.

Purse Seine Leads to Arrest of Jap

Yoshio Marmoto, 640-A Terminal avenue, Terminal Island, will have a preliminary hearing in the Lomita township justice court next Saturday morning, at 10 o'clock, on a charge of violating the state fish and game laws. Marmoto's boat, with a purse seine aboard, was alleged to be anchored for more than 45 minutes in Hagerston's Cove, a misdemeanor. L. G. Smith, state fish and game officer, on board the Los Angeles county patrol boat, was the complaining witness at Marmoto's arraignment on October 3.
