Big Winter Season Ahead For Ascot Under Glendale Post

(CNPA Inc. Service)
LOS ANGELES.—Definite plans to give Los Angeles and Southern California the biggest winter season of automobile racing in the history of the sport have been announced by the racing board of Glendale Post 127 of the American Legion, sponsors of the Legion Ascot speedway in the Valley boulevard.

The speedway officials have conducted the greatest series of events in the east and west, the closing of eastern tracks, dozen or more of the country's greatest pilots will trek west to compete at Ascot.

The first of the big stars to make definite plans to come west was Johnny Hannah, eastern dirt track champion. Hannah will appear in a series of match races against Rex Mays, the Riverside river who has been winning regularly at Ascot and who has a triangle hold on the 1934 Pacific coast championship. Hannah will also compete in the weekly Ascot sprints.

Among others who have been contacted, several of whom are expected to come west, are: Doc MacKenzie, mid-west champion; Bob All, runner-up to Hannah in the east; Bill Cummings, national champion and Indianapolis winner; Johnny Sawyer, Louis Webb and Laurie Rose, the great Jewish pilot who finished second to Cummings at Indianapolis.

The speedway program calls for Wednesday night racing to and including October 12, Sunday racing will then come into its own, the first daylight program being scheduled for October 28.

Ghosts Lose 1-0 To Bluebirds In Airtight Game

Morrell and Wilkinson Hold Batters to Three Hits for Each Team

A mere handful of fans watched the Bluebirds pour it on the Sioux City Ghosts at the municipal ball park last Thursday night in the last night ball game of the season. The Birds won, 1-0, after a tight game.

Only two men on the Birds' side reached second base and one of them scored the only run of the game. Only five of the regular Bluebirds appeared on the field. Harry Atwood replaced McClure at first, Edlund substituted for Hal Forney in the field. Poncho Fabregat gave up his catcher's glove to Widner and played left field. The other Birds who played their regular positions were Dan Leonard at third, Tony Aliso at short, Paul Vonderahe at second and Paul Neva in center field.

Hunters Bag Four Bucks After Storm

Mr. and Mrs. E. H. Price and Mrs. Price's nephew, Ted Stenson, have returned from a hunting trip during which they were successful in getting four nice bucks. They made their headquarters at Chief Meadows in Tehama county, near Red Bluff. According to Mr. Price, they failed to sight any deer during the first part of their stay, but after the snow which fell in the High Sierras recently they saw as many as 70 in one band, as the storm forced the deer to the lower levels. They shot their four after the storm had passed.

Public Invited To Watch Chess Games Next Monday Night

A. L. Paul, local chess expert, will play simultaneous games with several chess opponents at the Torrance Chess and Checker Club, Chamber of Commerce rooms, Cabildo avenue, the evening of Monday, October 8.

LONG BEACH BOY

Jack Rothrock, outfielder for the St. Louis Cardinals, is a Long Beach boy, born there March 14, 1905. He played as a regular with the Boston Red Sox until he broke his leg, and then went to Columbus, Ohio, from which team he was purchased by the Cards last winter.

as a half-mile flat track, being reduced from a five-eighths-mile oval. The course is thoroughly settled and is getting faster with each meet. It is predicted that the time of the eastern pilots under conditions will be perfect for record-breaking performances.

SPORT SHOTS

By Bob Lowell

Well, Well, Well, Torrance football team finally beat Jordan high school of Watts! Torrance football team finally came from behind to win a game! Torrance football team finally has a team that can fight, which is necessary in any sport to be a winner!

The outstanding players of last night's game were Roger McGinnis, guard, and Ted Smith, guard, and Ted "Slav" Adzavich, fullback.

McGinnis, 200-pound tackle, plays heads-up football all the time and will be one of the main goals of the team this year. Watch McGinnis tomorrow.

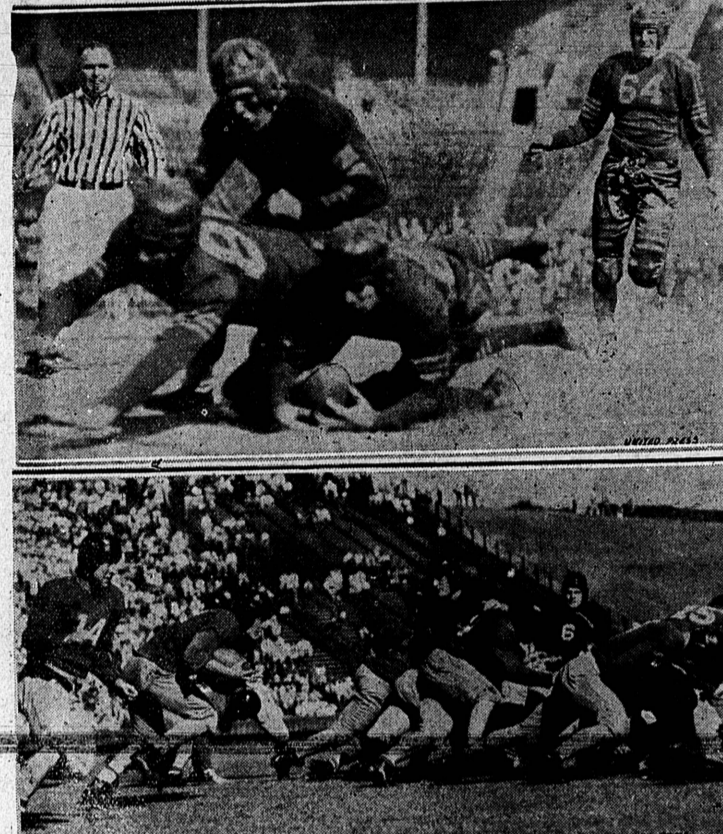

Coach Bernie Donahue, greatest coach Torrance has ever had, has trained the local squad and inspired them to such an extent they are going to be hard to beat this year. Bernie has a big job on his hands, coaching all major sports at the local institution. Torrance is about the only school in the Los Angeles system that can boast of only one coach. All of the other schools have from two to six coaches and assistants. Jordan high school has three at last Friday's game. The job of physical education teacher and coach of all sports keeps Donahue on a run from 8 o'clock in the morning until 6:30 o'clock in the evening five days a week. This is too much for one man, especially when all of the other schools have several coaches to help. Why can't our fair city rate at least one assistant for Donahue, are we the little "Orphan Annie" of the city school system?

The Torrance Tartars didn't have to show much in beating Jordan last Friday, using only five different plays throughout the entire game. Hal Smith, quarterback, playing his first game at this position, looked like a veteran. Hal played tackle last year. Donahue never sent his fast backfield into the game to expose their trick plays and forward passing attack. Gardena will no doubt have the honor of trying to figure out the new plays tomorrow, at the Torrance high school field. TORRANCE SHOULD WIN BY ONE TOUCH-DOWN!

Owing to the fact that Torrance has finally a winning team it would be no more than fair for the school to install a public address system on the field for the rest of the games and future athletic events. Local backers of the team would enjoy the contests a great deal more. At last week's game it was impossible to know who the Jordan players were and who most of the local men were. Part of the color of a football game is the announcing to the grandstand. Adzavich made eight yards on that last play, second down and two yards to go. Local people back their team 100 percent, why not install this small address system?

Miny Wain, motorcycle speed artist, set a new track record at Motospeedway, Long Beach boulevard, last Tuesday night. Wain's new record for four laps on the fifth of a mile track was 1:08. Byrd McKinney formerly held this event record at 1:08.1. The racing program was full of spills and thrills. Motorcycle racing season will soon be over and the boys are all trying to pick up the winning purse.

Oregon Crushes U. C. L. A.; Stanford, Santa Clara Tie

The Pacific Coast Conference football race officially opened Saturday, when University of Oregon Webfoot humbled U. C. L. A. In the above picture, Halfback John Reischman of the Webfoot falls on and recovers a fumble by "Pants" Livesay, UCLA back, on the third play of the game, in which the 1934 coast co-champion smothered the Bruins under a 23-6 score. In the lower picture, Bobby Grayson, Stanford's All-American fullback, goes over for his team's lone touch-down against Santa Clara. The big Stanford team was quite fortunate in holding little Santa Clara to a 7-7 tie.

New Midget Car Tuned Up to 100 Miles Per Hour

The newest type of midget racing car, a 75 cubic inch displacement, outdoor job, will furnish competition for Bill Betteridge, Chet Mortemore, Everett Balmer, Chris Vest and company Friday night in the small car speed carnival at Motospeedway on Long Beach boulevard.

Racing Yawl Long Overdue From Hilo Finally Makes Port

Anxiety on the part of friends and relatives at home was relieved Saturday, when the 34-foot yawl, Naitamba, one of the fleet that sailed from Wilmington in the Wilmington-Honolulu yacht race last July, dropped anchor in the west basin at Los Angeles harbor. The yawl with two men and a 14-year-old boy aboard, started back from Honolulu more than a month ago and was long overdue in port. Relatives along the coast guard last week and the patrol boat Perseus was sent out from San Diego harbor to search for the missing boat.

The crew on board included Skipper Richard Smith, brother of Miss Rachel Smith, director of child welfare of the Paramount Studios; Billy Butts, 14-year-old screen juvenile, and Captain Fred Rebell, Australian lone voyager, who made a trip across the Pacific in an 18-foot skiff two years ago. Rebell is known in Torrance where he spoke before the National Business and Professional Women's Club on his adventures during his long voyage.

The small sailing vessel, which had no auxiliary power, was calmed for nine days outside of the harbor, which accounted for the long delay in reaching port, according to those on board.

Games On the Coast

- FRIDAY: Loyola vs. North Arizona State.
- SATURDAY: U. S. C. vs. Washington State, California vs. St. Mary's, Stanford vs. Oregon State at Portland.
- SUNDAY: Olympic Club vs. San Jose State, Nevada vs. California Aggies, Gonzaga vs. Idaho, Whittier vs. La Verne, Pomona vs. Redlands, U. C. L. A., Washington, Oregon and Montana by.
- Santa Clara vs. San Francisco University.

Recreation Camp Ice Skating Pond Will Be Expanded

Lovers of ice skating are to be provided with a splendid setting for this exhilarating sport the coming winter at the Big Pines Recreation Camp of the Los Angeles county department of recreation camps and playgrounds, according to Superintendent James K. Reid. Work is progressing rapidly on improvements and extensions that will expand the area of the pond to a total of more than 31,000 square feet, of which 18,000 square feet will be protected from the sun by a fringe of forest trees so that it may be used at all times during the winter season. Eight thousand cubic feet of dirt will have been removed to accomplish this improvement.

When completed this will be the only ice rink in Southern California of sufficient size for an official hockey rink. This will be lighted for night skating. Raised seats are being provided to accommodate 750 spectators, and a large fire circle with tables for lunches will be in evidence. Provision has also been made for the establishment of a lunch room by a concessionaire.

OILERS WIN THREE

Joe Rodgers' Huntington Beach Oilers, champions of the National Night Baseball League, defeated Riverside Tuesday night in the third straight game for the inter-league championship. The fourth game of the series, which will be played at Huntington Beach tomorrow night.

STREET CARS STOP

Highlight of the opening game of the world series: A motorist stopped his car in front of Schuck & Peckham's Ford garage, stuck his head out of the window to listen to the close of the second inning. With the score 2-0 in favor of the Cards he jingled the gong and moved on.

Side Car Races Carded Tuesday At Motospeedway

Added events and special features will add both thrills and color to Motospeedway's program of spectacular broadside motorcycle races, Tuesday night, October 9, according to officials at stadium headquarters, who are mapping out one of the season's hottest race bills.

Director of Competition Charlie Moist is planning another one of the spectacular side car races that completely stole the show when introduced a month ago.

Moist is trying to sign up the two best rivals of long track days, P. A. Bigsby and Harry Pelton, for the special race. If he succeeds in this, Moist will have secured the scoop of the month in speedway circles as the rivals have refused to meet at any track.

As for the motorcycle races themselves, some hot events are certain with Kenny Schofield, blond thatched Hollywood speed marvel, returning to Southland competition after sweeping the field throughout the northern section of California.

This Birdie Cost Freddy A Stroke

Fred Montgomery, popular barber, baseball player and golfer, scored his first birdie last Sunday at the Western avenue course, after 15 years of play, and furthermore he has two witnesses to the feat. Fred, Pete Peterson and Rex Wrenn were approaching the fourth green when a flock of birdies rose up ahead of them. Fred had just cut loose with an iron shot when the birds rose and the ball sailed into the flock, met one of the birds head on and bird and ball dropped to the ground. The bird died instantly, its breast crushed.
