

Bible Pictures At Christian Church

The seventh of the series of Bible pictures will be shown at the First Christian church, Torrance, next Thursday evening, November 1, at 7:30 o'clock.

Each of the 12 programs are complete in themselves, therefore, those who come at this time will find their first program equally as interesting as those who have been fortunate enough to see all the programs.

All are most cordially invited to attend the special programs each Thursday evening. A silver offering will be taken to defray expenses.

CHRISTIAN SCIENCE CHURCHES "Whoso diggeth a pit shall fall therein; and he that rolleth a stone, it will return upon him." These words from the Proverbs are the Golden Text in the Lesson-Sermon on "Evensong—Punishment" on Sunday in all Churches of Christ, Scientist, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass. Among the Bible citations in the Lesson-Sermon are these words from the book of Malachi: "Behold, I will send my messenger, and he shall prepare the way before me; and the Lord, whom ye seek, shall suddenly come to his temple, even the messenger of the covenant, whom ye delight in: behold, he shall come, saith the Lord of hosts. For I am the Lord, I change not; therefore ye sons of Jacob are not consumed. Even from the days of your fathers ye are gone away from mine ordinances, and have not kept them. Return unto me, and I will return unto you, saith the Lord of hosts. Correlative passages from "Science and Health with Key to the Scriptures," by Mary Baker Eddy, state: "When false human beliefs learn even a little of their own falsity, they begin to disappear," and, "In the quiet sanctuary of earnest longings, we must deny sin and plead God's aliveness."

Confession Reunites Family

A deathbed confession of the woman he always thought was his mother will reunite Marion De Lux with his father and mother. De Lux was kidnaped in a revenge plot 26 years ago. De Lux is shown with his new found aunt and cousin as he sailed aboard the liner Lurline for Honolulu, where he will join his parents.

Special Program On Armistice Day

A special Armistice Day program will be given in memory of the boys who have "gone west" and in honor of those who are living, by the Torrance Men's Bible Class, at the Torrance Theatre, Sunday, November 11, beginning at 9:25 a. m., sharp. The patriotic program will include an address by one of California's well-known orators, several musical numbers, both vocal and instrumental, bugle calls and other features. All men are invited to be present with their wives, mothers, sisters, daughters and sweethearts at this great "open session" of the class. Detailed announcement will be made next week. Next Sunday, November 4, Homer Brown will have charge of the class program. The teacher, Rev. George Elder, will bring the regular Bible lesson.

Methodist Men Organize Club

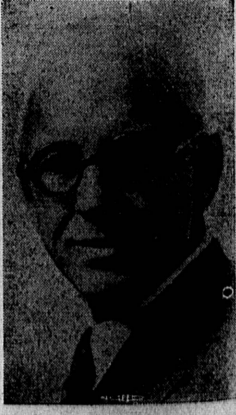

Hugh Henry Elected President At Meeting Held Recently The men of the Methodist church have just perfected an organization of a Men's Brotherhood. This new organization was organized through the efforts of the reported requests for such a club on the part of the men of the church. The newly-elected officers are Hugh Henry, president; John Young, Jr., vice president; Frank Perkins, secretary-treasurer. Program meetings will be held monthly, the opening meeting to be held on the evening of November 30 for which an outstanding program is being planned. Further announcement will be made later. One other feature planned as a part of the brotherhood program is a men's Bible class to be held in the church auditorium each Sunday morning at 9:30 o'clock. Rev. Kemp J. Winkler, the pastor of the church, has been asked to teach this class. Those sponsoring the new brotherhood would like to have it and the new Bible class to reach as many men as possible who are not affiliated with any other religious group.

Concrete Walls of New Unit Finished

The sub-story walls of the new Sunday school unit of the First Christian church of Torrance were completed Tuesday evening, according to the pastor, George Elder. The walls are ten inches thick, enforced with regular building steel—a product of the local plant. Thirty men poured the cement, mixed by a power mixer. The sub-story floor, 30 by 38 feet, will provide room for several new classes, relieving the present congested condition. Beginning next week the forms will be taken out and the first floor story begun. The pastor said: "We will have need of several carpenters at this time, carpenters, of course, that will be willing to donate some of their leisure time. We will greatly appreciate any help that any can give for the entire building is being erected by donated labor."

Governor Merriam's Program

RESIDENTS of California face a far reaching political decision on next Tuesday, when they vote for Governor.

Taking advantage of public distress, and preaching a doctrine of class hatred and social antagonism, an extreme Socialist captured the Democratic party's nomination for Governor, and is now proposing a radical, impractical scheme.

On the other hand, Governor Merriam,—a capable and conscientious American wholly dependable in his proven devotion to the public welfare,—offers a constructive program of liberal Americanism.

Here is Governor Merriam's own statement:—

For Those With Jobs, I Will Strive:

- 1. To bring you security of employment through definite encouragement of business, industry and agriculture. 2. To insure you and your family against loss of work, by adoption of a practical and adequate plan of unemployment insurance. 3. To uphold your right to bargain collectively for increased wages, shorter hours, and improved working conditions. 4. To discourage pay cuts in both public and private employment and encourage establishment of a wage scale providing a decent living on American standards. 5. To fearlessly oppose radical or Communistic efforts on the one hand, or Capitalistic efforts on the other, to destroy legitimate organized labor.

(Note: The Legislature, under the leadership of Governor Merriam, is now developing a workable plan of unemployment insurance and will report in January.)

For Those Seeking Jobs, I Will Fight:

- 1. To see that no man, woman or child in California goes without food or shelter. 2. To discourage, insofar as it is within my power, the coming to California of more unemployed to compete with you in your efforts to find work. 3. To create new jobs through the medium of public works, the development of our great natural resources and constructive effort to promote the upward trend of business, agriculture and industry.

(Note: As a part of this pledge, the Legislature at the special session and on Governor Merriam's recommendation, adopted for submission to the people a proposed issue of State bonds in the amount of \$24,000,000 for the relief of unemployment and distress.)

To Those Unable to Work, I Dedicate Myself:

- 1. To safeguard and expand the State's great humanitarian work for the sick, the disabled, the orphaned and the aged. 2. I heartily favor old age pensions and commend the Townsend Plan to Congress and the National Administration for thorough study.

(Note: In furtherance of this undertaking the Governor and the Legislature have already petitioned the President and Congress to supplement the State's present effective pension system for the aged by enacting a Federal old age pension law.)

To California Taxpayers, I Will Recognize:

- 1. That human needs must come before all other considerations; that property owners in financial distress must be given every opportunity to save their homes and farms. 2. I will see that public utility corporations bear their full share of taxes, without loading extra charges on to the public. 3. That all Citizens of California will share equitably in the benefits of economy and simplification of government, which are a definite part of my program.

(Note: Governor Merriam obtained the approval of the Legislature at the recent special session giving relief to home and farm owners from the burden of delinquent taxes and special assessments as well as from the immediate danger of loss of their properties through foreclosure of mortgages and trust deeds.)

To Educators and Teachers, I Propose:

- 1. To do everything in my power to maintain the present high standard of education in California. I am thoroughly committed to a continuation of the constitutional guarantees for the public schools; to teachers' civil service; to the maintenance and extensions of the teachers' retirement fund; to part-time and adult education.

To Members of All Parties, I Will:

- 1. Call into the service of the State the best type of citizenship. 2. Carry out a non-partisan, truly progressive, and All-California administration during the term of my office as Governor.

Gov. F. Merriam GOVERNOR OF CALIFORNIA

As Lieutenant-Governor, I will, if elected, do all in my power to carry to a successful conclusion the foregoing program of Governor Merriam.

Geo. J. Hatfield
