

Electric Ranges, Water Heaters, May Be Bought Thru Housing Act

With election out of the way this week, Southern California business is set to make an intensive recovery drive under the stimulating influence of the National Housing Act. Major features of the nation-wide program are now under way or ready for launching in virtually every South-

Keeping Up With Torrance High

By RUTH GRANCER

The Philatelic Club, a new organization on the high school campus, held its first meeting recently. Election of officers was held and those elected are: President, Phillip Jensen; vice president, Alfred Bunje; secretary, Ruth Spent; treasurer, George Mulis; sergeant-at-arms, Delaine Cook; reporter, Walter Bunje.

The Torrance Forensic Forum held its first meeting, October 30. A very good program followed the business meeting, the most interesting item being a straw vote for governor. The Yugo-Slavian situation was discussed and a few musical numbers were presented. After the program refreshments were served. Mrs. Young is the sponsor of the Forum, and Mrs. Allen, a new teacher, is the co-sponsor.

Last week students and teachers were asked to submit to the office the names of pupils worthy of serving on the Student Board of Control. Following the rather long list of names, certain teachers and student officers were chosen to review the list and make further recommendations. The main object of the organization is to advise the principal in appointing George Miyamura and Laurella Lancaster to four of the five vacancies. The fifth vacancy will not be filled until a later date, after further observation of the work and respect of certain appointments are made.

In the fifth period gym class a very exciting contest is being staged. Four teams were chosen and the winning team will receive 25 G. A. A. points. At present Myrtle Gregg's team is in the lead. Mildred McMullen's team follows with just one more game to win in order to tie. The sports played are basketball and volleyball. The rating of each team is as follows:

Myrtle Gregg's	5	1	1
Mildred McMullen's	5	2	1
Pat Carlin's	2	5	1
Mickey Hunter's	1	6	1

The Scholarship Society held the first meeting of the semester Tuesday. Club officers were elected and are as follows: President, Julian Iso; vice president, Margaret Gordon; secretary, Laura Mae Hyde; treasurer, Ruth Granger; reporter, Adeline Morisset. A letter from Venice high school, inviting four delegates to attend a quarterly banquet was read. Those who are to represent Torrance are Julian Iso, Eugene Weizelmeier, Laura Mae Hyde and Ruth Granger.

Monday, November 5, the World Friendship Club met. After the usual business the meeting was adjourned. Miss Crowder, from Los Angeles, gave a most interesting talk about her service in the World War and the sentiment of World peace that was aroused. After the program refreshments were served; then the students danced.

Delegates Named to Convention of Future Farmers

Chamber Urges Appropriation For Xmas Trees

A two-day program packed with fast-moving events is in prospect for Torrance boys, selected as delegates to the ninth annual state convention of the Future Farmers of America, which will be held in Los Angeles in conjunction with the Great Western Livestock Show, according to announcement by R. J. Merrill, instructor in agriculture at the Torrance high school.

STORY 1

Continued from Page 1

which the city has under option from the C. C. M. O. for \$12,500. It is also expected that sufficient money will be available for cleaning out the water mains, removing dead ends, and repairing leaks, which are said to be responsible for considerable loss of water.

Boy Scouts Will Dedicate Hall At Wilmington Sat. An application for a loan and grant of \$179,999 from the Public Works Administration was approved by the Torrance city council Monday afternoon, but it is not expected that this money, if approved by Washington officials, will be available until after January when the new Congress is expected to appropriate additional funds for the P.W.A.

Members of the council expressed the opinion that it might not be necessary to use the entire \$179,999 requested, and that if it were found that desired improvements could be made for less than this amount that only as much money as required would be borrowed from federal sources. Among the improvements contemplated through the federal loan and grant are drilling of wells, construction of a reservoir and pressure tank, pumps, and enlarging the distribution lines where required to give adequate pressure.

Pending the granting of the federal loan, the city plans to continue the present practice of buying water from the Dominguez Water Company.

MONEY AVAILABLE TO Poultry Farmers FOR ELECTRIC EQUIPMENT

Successful poultry raising in Southern California calls for electric equipment. Brooders, incubators, lighting, water heaters, feed grinders—these are the things that shorten the hours of labor and assure profitable results. You can get them now—without further delay, by securing a convenient long-term loan under the National Housing Act.

LET US SEND YOU THIS BOOKLET. A recently-published booklet explains clearly just how to take advantage of the Housing Act to secure a loan for modernizing your farm equipment. Write us at once and we'll send you a copy without charge.

SOUTHERN CALIFORNIA EDISON COMPANY LTD. SEE electrical catalogue just south of Glendora, corner of Foothill Blvd. and Glendora Avenue. Electricity air cooled and heated. Open every day.

Chamber Urges Appropriation For Xmas Trees

At its regular monthly meeting held last Monday, November 5, the board of directors of the Torrance Chamber of Commerce approved nine applications for membership, they being: W. W. Clark and Margaret L. Clark, owners and operators of the Clark Stationery Store, 1485 Sartori avenue; Ray Beuge and W. E. Shawyer, of the D. & M. Machine Works; P. Hurwood Clark and P. H. Clark of the Torrance Brass Foundry, 1825 21st street; Burt Ordway, Stores Department, Pacific Electric Shops; H. B. Amos, proprietor of Torrance News Agency, 1822 Sartori avenue; George N. Mershon, of Mershon's Music Shop, 1627 Cabrillo avenue.

Requests from the Torrance fire department and from Walteria that funds be appropriated again this season to cover cost of Christmas tree programs were ordered transmitted to the Torrance city council, with the recommendation that \$150.00 be allotted by the city council for the Torrance program, and \$25.00 for the Walteria program, this action being taken in view of the widespread appreciation of Torrance citizens during the past several years when similar activities were conducted.

Boy Scouts and Scout officials will assemble at Wilmington next Monday, November 19, to assist in dedicating a new scout hall located at Cary and "J" streets which replaced one destroyed by fire some time ago.

Members of the council expressed the opinion that it might not be necessary to use the entire \$179,999 requested, and that if it were found that desired improvements could be made for less than this amount that only as much money as required would be borrowed from federal sources. Among the improvements contemplated through the federal loan and grant are drilling of wells, construction of a reservoir and pressure tank, pumps, and enlarging the distribution lines where required to give adequate pressure.

New Management Takes Over G. P. Service Station

George Anderson and Leonard Jacobson this week took over the active management of the General Petroleum Service Station, corner El Prado and Carson streets. Both young men have been residents of Torrance for a number of years and are experienced in automotive servicing. In addition to handling a complete stock of Mobilgas, Mobiloil and Greases, the station is equipped to do certified Mobilbricanting, washing and polishing of all types of automobiles. Telephone number of the station is Torrance 789 and cars will be called for and delivered.

W. G. Morse, 214 South Pacific Boulevard Beach, underwent an appendicitis operation, October 31. To Mr. and Mrs. Oscar H. Pow, Mayfair Apartments, a boy, November 7. Mr. and Mrs. Alfred M. Shea, 127 West 96th street, Los Angeles, a boy, November 1. Mr. and Mrs. Raymond Wells, 21 Via di Roma, Long Beach, a boy, November 5.

Deaths: Mrs. Anne Bailey, 730 Portland, underwent an operation on her eye, November 7. Mrs. Suzanne Bloch, 813 Avenue A, Redondo Beach, was operated upon November 5. James A. Cook, 2218 Sonoma, injured some time ago, entered the hospital to have skin grafted on his hand, November 7.

M. J. Lundgren, 1859 East 61st street, Los Angeles, an employee at the National Supply Company, suffered an arm injury November 6 in a fall, and was taken to the hospital for X-ray and treatment for bruise. He was not seriously hurt. W. T. Morse, 214 South Pacific Boulevard Beach, underwent an appendicitis operation, October 31.

Lived Through 26 Presidents GREENFIELD, Mass. (U.P.)

This city boasts two women citizens who have lived to see 26 Presidents take office. They are Mrs. Emily T. Morton, Greenfield's oldest woman, who is 102, and Mrs. Elizabeth Adams Morgan, 101.

"Tall Corn" Title Endangered HILMAB, Cal. (U.P.)

Iowa's claim as the leading state for "tall corn" was in jeopardy today as H. W. Sederquist exhibited five 18-foot stalks weighing 70 pounds. The corn was planted in June as a second crop.
