Officers and Enlisted Men to Be Guests At Speed Carnival Friday

"Navy Night" will be celebrated amid pomp and ceremony Friday night, November 16, during the running of the weekly speed carnival at Motospeedway, located on Long Beach Boulevard.

Arrangements have been completed to accommodate more than 1000 officers and enlisted men of the Pacific fleet at the stadium.

The sailors will be privileged to witness what is expected to be the season's fastest card of small car races, with the "mighty midget" pair, Bob Swanson and Curly Mills, leading the assault upon current track records.

Not a little rivalry has been worked up between this colorful driving pair, and the excitement reached a climax last week when Mills not only beat Swanson in the sprint, but lowered the latter's records as well.
